VOLUME XXXIII.—NO. 8. MEADVILLE, PA., NOV. 17, 1914.

THE GOLD AND BLUE HAS NO TROUBLE DEFEATING DUQUESNE UNIVERSITY

Pittsburgh Team Entirely Outclassed by Coach Hammett's Men in a Listless Game—Score, 41 to 3.

With the easy defeat which Allegheny administered to the Duquesne University aggregation on Montgomery Field last Saturday afternoon, Allegheny has brought her record down to within two games of the end of the season with a clean score, one tie and the rest victories for the Gold and Blue. The strength of the Pittsburgh team was not very definitely known before the game started, but it did not take many minutes of play to decide very plainly where the superior playing lay. The final score 41 to 3, was a very just record of the playing of the two teams during the entire game.

Allegheny outplayed their opponents in every department of the game. The bungling work of the Duquesne team in their shift formation showed lack of practice throughout the whole game. Although they had the advantage of the local team in weight, they were unable to hold them steadily and Allegheny continually tore through the line for large gains and around the ends for several runs. The work of both teams in open play was especially good, though Allegheny was more successful in her forward passes than Duquesne. Three of the Allegheny touchdowns were secured in this manner.

Only once was there a very reasonable likelihood of the Pittsburgh team rolling up any kind of a score on the local team, when in the third quarter, Heisel, the Duquesne fullback, blocked Kramer's punt and got the ball on Allegheny's 25-yard line. In the next play he kicked a neat field goal, which gave them their only score. Heisel was easily the star for his team, distinguishing himself by his line plunges, his end runs, and his true forward passes. For Allegheny the entire backfield were especially good, Arnold, Bash and Cox in their runs and Munhall in his consistent gains in line plunges. In the line Pierson, Brooks and Kramer were good in defensive work for Allegheny.

The game by quarters follows:

First Quarter.

Heisel kicked off for Duquesne to Bash on Allegheny's 15-yard line.

Arnold, '15, whose open field running has been a feature of every game.

Bash returned the ball 15 yards before he was tackled. On straight line plunges Munhall made 5 yards, Bash 4 and Munhall again 2. After advancing the ball 6 yards farther Allegheny was penalized to her own 40-yard line for holding. Cox and Arnold contributed 9 yards and Cox 15 on a beautiful end-run behind perfect interference. Munhall and Bash made first down again. Munhall carried the ball within 8 yards of the goal-line, but Allegheny lost 15 yards that she had gained on a penalty for holding. Cox then passed the ball to Arnold who made a run good for 18 yards. Bash's line-buck added 2 more. On the fourth down Munhall hit the line hard and went through for nearly 3 yards, missing a touch-down by a matter of a few inches. Heisel on Duquesne's first down kicked out of bounds on the 30-yard line. Arnold circled end for 11 yards. By line-plunges the ball was carried within 20 yards of the line and the intervening distance was made by a 25-yard pass by Cox over the line to Bash. Cox "kicked out" to Bash and Munhall made the goal. Score, Allegheny 7, Duquesne 0.

Howard was substituted for Damrotoski.

Kramer kicked off to Heisel who was downed almost in his tracks. After three futile attempts to gain, Duquesne was forced to kick. Heisel's punt was caught by Cox and advanced to Allegheny's 30-yard line. Two downs gained no ground and on the third Cox made his second good run of the game—around end for 35 yards. On two line-bucks Munhall made first down. The next two plays cost Allegheny a single yard, but a forward pass of 20 yards from Cox over the line to Kramer was good for the second touch-down. Cox "kicked out" to Munhall who missed goal. Score Allegheny 13, Duquesne 0.

Morissey was substituted for Howard.

Heisel carried Kramer's kick-off back to the 28-yard line. Two short gains for 5 yards were made by Burns. A 33-yard forward pass from Burns to Flatley at end gave Duquesne first down. The next forward pass which was tried was intercepted by Arnold on the 33-yard line. On the second down Kramer punted 50 yards to Burns who was unable to return the ball farther than his 15-yard line

(Continued on page 4.)

H. K. Brooks, '15, who played a strong defensive game Saturday.

MANAGER'S TALK

All of the students in Allegheny read THE CAMPUS but not all of them are subscribers. Therefore, some are sponging off their neighbors. Do not be a parasite.

Three weeks from today the special football issue comes out. This number will contain individual cuts of several of the players as well as a complete review of Allegheny's most successful season. Subscribe immediately if you want to get this football issue.

GOOD ISSUE OF THE LIT FOR THIS MONTH

Review of the Proof Sheets Promises Interesting Reading.

The November Literary Monthly, the second number for the year, will appear on the twentieth of the month. This number is unusual in one respect, that it departs from the ordinary in not being a Thanksgiving number the week before Thanksgiving. However, the spirit of the season and of the national holiday is not entirely omitted. The number opens with a foreword by the editor, Miss Lucille Lippitt, '15, filled with Thanksgiving spirit, called "Vitae Gratia Deo."

The first long article is a paper by W. A. Brownell, '16, on "The Allegheny Pageant." This is from a paper read by the author in Quill Club at their last meeting, and treats in detail of the plans for the Centennial Pageant which is to be celebrated here next year, in contrast and comparison with other historical pageants that have been given.

Following this is a serious article by J. C. Weaver, '17, on the subject of agriculture from a historical standpoint. It is called "The First Work in the Soil," and deals with the methods of primitive man in working the fields and the results obtained by those early methods at that stage in agricultural development.

In this number will appear a short poem from the pen of a well known contributor, Miss Alice Chapin, '15, entitled "Wild Asters." This bit of verse is distinctive in composition and comes up to the standard which the author has set so definitely in her previous work.

The only short story in the number is entitled "On Arbor Day," by Miss Elizabeth Best, '16. It is a very cleverly written story of the trials and troubles of an excitable lover of trees and how a little inconvenience to him changed his views as well as his sympathies on the subject.

The second serious poem in the number is the work of C. M. McConnell, '15, entitled "The Garden of the Angels' Tears." The poem is written in blank verse and is quite different from the other articles in the number. It is the tale of an old Spanish monk told to the interested listener, and is filled with charm of atmosphere which the title suggests.

In this number a serial story is started by Miss Helen Adams, '16. The story, subsequent numbers of which will appear later, is called "A Will and a Way." It is interesting in that it deals with a combination of settings of peculiar interest to college people—the college itself, wealth, the good time of the young people in the story, and finally, love.

After this story, will appear a short poem by Miss Margaret Ross, '16, entitled, "A Bit of Advice." The poem is exactly what the title says—advice to the readers of it, and is timely as well as clever in the thought it brings out.

The potpourri, which was omitted last month, will appear again this month. This very popular department of the Lit is filled with short contributions of wit, near-wit, and cleverness, all of them unsigned as to authorship, and will comprise, we are assured, a collection which will be fully up to the standard of former potpourri departments in interestingness.

The editorial department is taken up with three editorials, the first one on Quill Club, and the last two on two questions concerning the college which have been discussed in Quill Club this year—the Student Senate for Allegheny and The Newspaper Correspondence of Allegheny with Outside Papers.

In the sketch department will be two anonymous sketches, one entitled "Over the Needles," and the other "A Pipe Dream."

An interesting book talk by Miss Georgia Roberts, '16, makes up the last article in the number. The book reviewed and discussed by Miss Roberts is "The Eyes of the World," the latest work of Harold Bell Wright.

DEBATING QUESTION CHOSEN

Interesting Phase of the Philippine Question to Be Debated.

The plans for the year's work in the Oratorical Association as announced in last week's Campus have been carried partly into execution this last week with the election of the upper class debaters and the arrangements for the Freshman team which will meet the Sophomores the tenth of December. The Seniors at a class meeting last Tuesday elected as their representatives against the Juniors, H. K. Brooks, C. W. Flick and C. L. Mulfinger, with W. A. Godsave, alternate. The Senior-Junior debate will be held the eleventh of December, the night after the Freshman-Sophomore.

The Juniors last Friday afternoon elected as their debaters H. E. Drake, E. B. Leaf, and R. A. Cox, with R. A. Blasdell alternate. This completes the two teams for the upper classes. The Sophomores will elect their representatives this week and the Freshman team will be chosen by Professor Swartley on November 27, when the trials will be held.

The question for 'varsity debate this year in the triangular league was announced Thursday afternoon at Forum meeting. It is, "Resolved, that the United States should initiate a policy of increasing governmental responsibility for the natives of the Philippines, to culminate in independence about 1925. Preliminary agreement: by independence is meant the degree of national freedom which the United States allowed Cuba." This question was proposed in the three submitted by Wooster at the meeting of the oratorical representatives in Youngstown, O., last Wednesday, at which Allegheny was represented by Professor Swartley, Wooster by Professor Delbert G Lean, and Pitt by Professor F. H. Lane. The question of the increase in the navy of the United States was also submitted and very seriously considered, and would have probably been chosen as the final question had not there been the strong likelihood that the question will be settled by Congress before the debate.

This 'varsity question will be the subject for the class debates and will be debated in Forum during the next few weeks.

THE PRESIDENT'S TRIP

Dr. Crawford to Attend Meeting of the Carnegie Foundation.

Two business trips, one last week to Chicago and one this week to New York, to the meeting of the Carnegie Foundation, have called President Crawford away from college for all of last week and the greater part of this week. Dr. Crawford left Meadville one week ago last Saturday for Chicago where he and Mr. Harvey H. Henderson, '57, of Pittsburgh, the chairman of the Investment Committee of the Board of Trustees, were looking after some of the college interests in connection with the estate of the late Mr. John F. Eberhart, '53. Dr. Crawford returned Friday evening and left last evening for New York. This afternoon he will attend the opening of the Horace Mann School for Boys at Columbia University, and in the evening will be a guest at the annual New York Alumni Association banquet at the Aldine Club. Wednesday morning the annual meeting of the Carnegie Foundation will be held under the direction of Dr. Henry S. Pritchett, the president of the foundation. At noon the members will be entertained at a round table luncheon at Delmonico's at which Mr. Carnegie will be the guest of honor, and in the afternoon Mr. and Mrs. Carnegie will hold a reception for the members at their Fifth Avenue home. Dr. Crawford will return to Allegheny sometime the latter part of the week.

Every man in college should be on the Carnegie Tech field next Saturday. This is Allegheny's hardest game and the team needs your support.

CARNEGIE TECH WILL BE HARD TEAM TO DEFEAT

Allegheny's Old Rivals Will Be Played At Pittsburgh, Saturday.

With a record of five games without a defeat, Allegheny journeys to Pittsburgh next Saturday, where the hardest game of the season will be played with the Carnegie Institute of Technology. The Plaid this year is represented by one of the best teams in its history. Steffens, who last year was assistant coach at the University of Chicago, is in charge and he has taken the material in hand and formed a strong scoring machine. Geneva was defeated by a score of 24 to 7. Compared to Allegheny's 15 to 7 victory, this gives Tech a slight advantage. Grove City was overwhelmed by the Plaid, 53 to 0. It is a matter of dispute as to whether this game shows Carnegie's strength or Grove City's weakness. Most authorities declare Allegheny and Tech practically even, and next Saturday's game is expected to be very close.

Allegheny has had athletic relations with Carnegie Tech ever since the founding of that institution. During the past eight years seven games have been played. Of these, four have resulted in victories for the Gold and Blue and three in defeats. The scores are as follows:

1906—Allegheny 0, Tech 5.
1907—Allegheny 5, Tech 0.
1908—Allegheny 0, Tech 11.
1909—Allegheny 0, Tech 10.
1910—Allegheny 27, Tech 0.
1911—Allegheny 5, Tech 0.
1913—Allegheny 17, Tech 0.
Total—Allegheny 54, Tech 26.

A small but interested audience greeted Mrs. Whittemore, of New York City, at her lecture in Ford Memorial Chapel, last Sunday afternoon. Mrs. Whittemore for ten years has been identified with the Salvation Army in its work in the slums of New York City, and consequently spoke with vast experience on the social service which that religious organization is doing.

THE ASSISTANT COACH

Horace C. Fitzpatrick, assistant coach, who leaves this week after having served well in the position of assistant football coach.

CALENDAR

TONIGHT, 7:00 P. M.—Tingley Biological Club, in Ruter Hall.

7:00 P. M.—Classical Club, in Wilcox Hall. Illustrated lecture by Dr. Elliott.

WEDNESDAY, 6:45 P. M.—Y. M. C. A., in Cochran Hall. Dr. Mark C. Kelly, leader.

6:45 P. M.—Y. W. C. A., in Hulings Hall.

THURSDAY, 4:00 P. M.—Forum, in Bentley Hall.

SATURDAY, 2:30 P. M.—Allegheny vs. Carnegie Tech, at Pittsburgh.

THE CAMPUS

OF ALLEGHENY COLLEGE.
Established 1876.

Entered as second-class matter October 30, 1904, at the Postoffice at Meadville, Pa., under the Act of Congress of March 3, 1879.

Published every Tuesday morning during the academic year by a staff of editors selected on a competitive basis from the students of Allegheny College and devoted to the interests of the college and its community.

Subscriptions $1.50 a year; $1.00 in advance. Single copies 5 cents.

The Campus is forwarded to all subscribers until an explicit order is received for its discontinuance, and until all arrearages are paid according to law. Subscribers are requested to inform the Business Manager of any change of address.

Communications intended for publication should be sent to the Editor or dropped in the box in the main hall of Bentley before 9:00 a. m. Saturday.

Help the Team Win!

Next Saturday Allegheny plays the hardest game of the season when the Carnegie Tech eleven, old rivals of the Gold and Blue, will be met on Tech Field, at Pittsburgh. It is the duty of every loyal Alleghenian who possibly can to be present at this game and help the Allegheny team by their active rooting. All those who attended the Tech game last year remember how the rooting of the seventy-five loyal Alleghenians helped the team win.

Do We Need a Student Senate?

Among the matters of student welfare that we have discussed recently, the one of whether or not Allegheny needs a Student Senate has received the most attention, and the sentiment seems to be heartily in favor of such an organization.

Under the present system Allegheny has not representative student organization. The College Council, which is supposed to act as an organizer of student sentiment, is not taken very seriously, and, as its powers are rather vague and undefined, very few of its decrees command the necessary respect.

On the other hand, any reform coming from individuals or certain groups of individuals cannot be regarded as representative of all the students, and many times, as a consequence, is regarded with suspicion by those who have had no part in the contemplated work of reform.

No definite plan for a Student Senate is attempted here, but one only need to look to numerous examples of similar organizations in colleges throughout the country, to furnish valuable suggestions. The introduction of student senates in other colleges has resulted in unifying the student body as well as in making some one responsible for the misdeeds of the individual student and the organizations.

The introduction of a Student Senate would be another step in the right direction; it would make the Allegheny spirit an even greater and more dependable college asset. It is a matter well worth our serious thoughts.

FORUM MEETS.

The regular meeting of the Forum of last Thursday proved to be of unusual interest as several matters of importance came up for consideration. As the result of election of officers the following were chosen for the next term: Speaker, R. A. Blasdell, '16; speaker pro-tem, E. B. Leaf, '16; secretary, P. R. Bellows, '18; sergeant-at-arms, P. R. Singleton, '18.

The question for debate for the afternoon was, "Resolved, That the United States should immediately provide for a material increase in the navy." The decision of the members was in favor of the affirmative, which was upheld by A. F. Limber, '15, and E. H. Middleton, '18, by a vote of 15 to 14 over the negative which was defended by D. B. Megahan, '18, and J. C. Weaver, '17. After the vote had been taken a large number entered into the open discussion of the question which followed.

CLUB MEETINGS

Quill, German and Biological Clubs and Alphi Chi Sigma Hold Meetings.

The past week has been one of unusual activity in the club life of the college. No less than four of the departmental societies—German Club, Quill Club, Tingley Biological Club and Alpha Chi Sigma, the national Chemical fraternity, held meetings on last Tuesday evening and in spite of the conflicts all were well attended.

The Quill Club.

Quill Club met in the club rooms in the Library with Miss Alice Chapin, '15, in charge of the program for the evening. A large number were present for their first meeting and were put through the ceremonies that made them members in good standing. The new Quillers are the Misses Marion Miller, '16, Helen Adams, '16, Margaret Ross, '16, Helen Mackenzie, '16, and Georgia Roberts, '16; Ernest Ling, '16, R. E. Hart, '17, F. H. Bacon, '17, J. C. Weaver, '17, Oliver Gornall, '15, and H. J. Hartman, '15.

The topic of the evening was "Pageants that I have seen, and some that I haven't." The leader traced the beginning and the development of pageantry up to the present time, calling on Miss Helen Mackenzie, '16, for a paper on the subject, "Symbolical Pageants"; on E. W. Hickman, '16, for "The St. Louis Pageant," and on W. A. Brownell, '16, for "Allegheny's Pageant." The discussion which followed the more formal papers was lively and general. Miss Rowley contributed a description of a type of pageant which she witnessed in Chester, England, last year on her travels. A note of unusual interest was added by the presence and words of Miss Nellie Campbell, '11, who since her graduation from Allegheny has had several important positions on the editorial staffs of some of our larger magazines. In the business meeting Professor O. P. Akers was appointed as the representative of the Quill Club on the board which has charge of competition for The Campus and Literary Monthly.

Deutsche Gesellschaft.

The meeting of Die Deutsche Gesellschaft was one of unusual importance as well as interest. Many of the old and several new German songs were practiced. The program for the evening consisted of two short numbers—Miss Elizabeth Best, '16, recited a selection from Heine, entitled "Eine gute Nacht," and Miss Hazel Gaskill, '16, related the story of "Herr Ribbeck von Ribbeck"—both of which numbers were well received. The following new members were voted into the club: C. M. Miller, '17, K. G. Reider, '17, G. S. Craig, '17, M. K. Frishkorn, '17, R. F. Kahle, '17, H. M. Bail, '16, C. W. Dunlap, '15; the Misses Arlene McKinney, '15, Ethel Gealy, '15, Beatrice Mullian, '15, Evelyn Norris, '15, Marguerite Beatty, '16, and Mildred Richey, '17.

Tingley Biological Club.

The meeting of the Tingley Biological Club which was held Tuesday evening was the meeting which was postponed last week on account of the many conflicts at that time. The program in charge of John Bright. '15, and Kenneth Reider, '17, dealt with "Animal Instincts" and proved very interesting. After the papers had been read, a large number of the members present took part in open discussion of the theme of the evening.

Alpha Chi Sigma.

The meeting of Alpha Chi Sigma was largely for the purpose of initiating the new pledges, Howard Boyd, '15, Curtis Johnson, '16, and Fred Amon, '16. After the exercises an enjoyable spread was given.

J. G. LANE, '14, LEADS.

The Y. M. C. A. meeting last Wednesday evening in Cochran Hall was under the leadership of J. G. Lane, '15. The thought that he brought out in his talk was the courage of the Christian and what constitutes and is necessary for courage in a Christian. Outlining briefly the story of Nicodemus, he drew a parallel between him and the case of modern Christians, men afraid to take a definite moral step on the side of right.

He went on to show that courage is not the product of theory and well meaning, but of firm resolve and can only be tested to show its real existence by some real conflict in which the man is required to take a definite side. Many professing Christians do not carry their profession into actual practice but waver when the testing comes and usually go down to defeat. The hard point in the gaining of courage is the starting point. Then the question confronts a man, is Christ real? Then it is that the question must be settled if the man is to advance in real courage and power over himself.

Two things were pointed out that constitute real courage in the Christian man, first, true convictions of life and its aim, and second, the faith necessary to live up to such convictions. Like the question at the starting of the Christian life, so here comes the similar question, is faith real, and then is my faith real.

RESOLUTIONS OF THE TINGLEY BIOLOGICAL CLUB

Through the resolution committee, the Tingley Biological Club wishes to have made known the following resolution on the death of F. C. First, '14:

"The Tingley Biological Club of Allegheny College, lamenting the death of Mr. F. C. First, recognizes that one possessed of exceptional ability as a naturalist has passed from us. Of a strong personality, yet unassuming, never faltering in that which was right, he was in the true sense a man. His great perseverance was admired by all and his memory will go down among us as one who even in the short time allowed him, accomplished a success in life."

Signed:
L. M. WITHERUP, '16,
ETHEL S ROACH, '16,
Committee.

FRATERNITIES ENTERTAIN FRESHMEN.

The open house dates for fraternities to entertain Freshmen have been arranged by the Inter-fraternity Conference and posted in Bentley. Two of the fraternities have already entertained according to this schedule. The dates are, Friday, November 13, Phi Kappa Psi; Monday, November 16, Sigma Alpha Epsilon; Tuesday, November 17, Delta Tau Delta; Thursday, November 19, Alpha Chi Rho; Friday, November 27, Phi Delta Theta; and Saturday, November 28, Phi Gamma Delta. This is the only way in which, according to the rules of the half-year Freshman spike, fraternities can as a body entertain the members of the Freshman class and the only time the Freshmen can enter any of the fraternity houses. It is now planned to have two series of these evenings, the next one sometime in January, in which the Freshmen can meet the fraternity men in their homes.

The two fraternities who have already entertained are the Phi Kappa Psi's last Friday evening and the Sigma Alpha Epsilon's last evening.

DR. MULFINGER SPEAKS AT ASSEMBLY

The Assembly period on last Friday morning was occupied by Dr. G. A. Mulfinger, who spoke concerning a trip he made through the West last summer, particularly to the Rocky Mountains and Denver. By way of introduction, the speaker spoke at some length upon the city of Denver itself, comparing it with Paris on account of its many beautiful public buildings, its well planned park system and exceptional location. An interesting account of the politics of this City of Lights was given, showing how in the last election woman's suffrage had helped to clean out a particularly rotten political machine.

The best part of the address probably was the description of a visit to Colorado Springs and the mountains in this vicinity. Here Dr. Mulfinger visited the grave of Helen Hunt Jackson and a very vivid description was given of the last resting place of this famous American poetess.

Allegheny's alumni are well represented in the program of the Education Conferences of the Association of Secondary Schools of the Upper Ohio Valley that will be held Friday and Saturday on the 27th and 28th of November at the University of Pittsburgh. On this program the names of three well known Allegheny alumni appear, John F. Bower, '98, principal of the McKeesport High School, who will speak Saturday morning on the Administration of the School; Mary L. Breene, '99, of the Peabody High School in Pittsburgh, who will give a report of the National Committee on the Reorganization of Latin in Secondary Schools, and F. L. Homer, '95, of the Central High School.

UNIVERSITY of PITTSBURG

THE SCHOOL OF MEDICINE

The School of Medicine of the University of Pittsburgh offers two courses of instruction—one the regular four-year all medical course leading to the degree of M. D., for which the entrance requirements are two years of recognized college work, including courses in Chemistry (Inorganic and Organic), Physics, Biology, and German or French, in addition to the four-year high school course; the other the six-year combined medical and college course leading to the degrees of B. S. and M. D., for which the entrance requirements are the four-year high school course or its equivalent.

The School now occupies a thoroughly-equipped laboratory building on the University campus. The Medical School is in affiliation with two general and five special hospitals representing a combined bed capacity of over fourteen hundred beds. Clinical work is given to small sections of the class in these affiliated hospitals. The required work including residence in a Maternity Hospital with board and room furnished.

Twenty-ninth Annual Session begins September 28th, 1914.

For bulletin and information, address,

THOMAS SHAW ARBUTHNOT, M. D.,
(Dean) Grant Boulevard, Pittsburgh, Pa.

NEWS ITEMS

Dr. E. A. Smith has been to Harvard University for a two days' conference on the historical incidents of Allegheny with Professor George P. Baker, who is now writing the Pageant which is to be presented next June.

At a meeting of the Senior Class last week it was decided to have two cuts of each member of the class in this year's Kaldron—one a characteristic photo and the other a regular cut. H. K. Brooks, C. W. Flick and C. L. Mulfinger with W. A. Godsave, as alternate, were elected class debaters.

The college Glee Club opens its season's work this week with a concert Friday evening at Linesville in the Methodist church. The Mandolin Club will appear with the Glee Club after almost a year of inactivity and this first concert of the two musical bodies united under the same management as in former years will be watched with interest. The club will make a two-day trip next week appearing at Cambridge Springs next Tuesday night under the auspices of the Methodist church and the following evening at Erie under the direction of the Oyympian Club of the High school.

Owing to the unsanitary condition of the gym the following announcement is made: It is earnestly desired that the students co-operate with the authorities in keeping the gym clean by not going on the basket ball floor with street shoes on. Only those who have changed to gym shoes will hereafter be permitted on the floor. Heretofore a great deal of dirt has been carried on to the floor by the students which in spite of the regular cleaning which the gym receives has collected on the floor and has made the building unhealthful. It is hoped that by keeping off the floor with street shoes on, this trouble may be stopped.

No mention was made in last week's Campus about the results of the recent election in which Dr. Frank C. Lockwood was candidate for congressman from this congressional district. Now that complete returns are in, the count shows that while Dr. Lockwood lost, yet the showing he made was remarkably good and a point of promise to the party which he represented. Dr. Lockwood accepted the nomination for congressman on the Washington and Prohibition ticket last spring and put in the entire summer in his campaign work. His opponents were, Mr. Liebel, of Erie, the successful candidate on the Democratic party ticket, and Mr. M. W. Shreve, ex-'82, of Erie, who was seeking re-election.

Hulings Hall

The active members of Kappa Kappa Gamma entertained their gentleman friends at a progressive dinner party on Thursday evening.

Miss Sarah Wiley, '15, spent the week-end at a house party at Ann Arbor, given by the Michigan University chapter of Kappa Kappa Gamma.

Last week being the national Y. W. C. A. Week of Prayer, the girls met every evening in the Association rooms for prayer. The leaders for the week were the Misses Dorothea Abrams, '15, Esta Ebaugh, '15, Emma Waring, '16, Harriette Bassett, '15, and Helen Fogo, '18.

The Y. W. C. A. meeting Sunday evening was led by Dr. Mark Kelley, pastor of the Stone church, who gave a most impressive talk on the text, "For the body is made up of many members and whether one member suffer, all the members suffer with it." In his talk he likened the body to society and took the church as one of the vital members of society. He showed that if the church fails to do its duty, all society suffers. For the church to measure up to its highest degree of usefulness it must have the highest type of young manhood and young womanhood back of it.

A push-ball contest has been substituted for the former color rush and pole fight between Sophomores and Freshmen at W. and J.

BASKETBALL PROSPECTS.

General opinion about schools seems to be that Allegheny's high place in the collegiate basketball world is secure for this next season. Anyone who has attended the regular practices that have been going on for some time can not but be struck with the excellence of the material that there is in the school at present. Little difficulty will be had in filling the few positions made vacant by graduation last year and there is some reason to believe that some of those who had regular berths last year will be forced to play hard to retain their places.

Three of last year's letter men are in school this year—Cox, '16, Dunbar, '15, and Captain Graham, '15. Cox is practically sure of his old place at forward, but the other forward position is vacant on account of the graduation of Nichols, last year's captain. It is, of course, impossible at this early stage to say who will win out in the fight for this place. There is plenty of good material in school and the competition is sure to be close. Among the possibilities for the vacancy are Bianchi, '18, Kahle, '17, and Dunbar, '15, who may be shifted from his old place at guard. Another vacancy is at center. Park, ex-'16, who played center last year, is attending the University of Pennsylvania this year. There are a number of applicants for this place—among them Bash '16, McKay, '16, Kramer, '16, and Wise, '17, who has been showing up especially well in practice. The first three of the above mentioned saw some service on the floor last year and all will be valuable men on the team. There is really no vacancy at guard as both Graham and Dunbar are in school this year and are ready to hold their places against all comers. In addition to them Barnhart, '17, can almost be regarded as a regular guard as he played at that position in several games last year.

A man who is known to use alcohol will hereafter be debarred from receiving scholarships or financial aid at Hobart.

GOLD AND BLUE DEFEATS DUQUESNE UNIVERSITY.

(Continued from page 1.)

where play for the quarter ended. Score, Allegheny 13, Duquesne 0.

Second Quarter.

The quarter began with the ball in Duquesne's possession on her 15-yard line. Three downs went for no material gain and on the fourth Heisel punted to his own 45-yard line. Damrotoski went in for Mosti. Allegheny was penalized 15 yards for illegal use of hands. On the third down Kramer kicked out of bounds on Duquesne's 33-yard line. After gaining 5 yards Duquesne was also penalized 15 yards for the same offence. Two attempts at forward passes were incomplete and Heisel punted to Cox on Allegheny's 40-yard line. The Gold and Blue backs failed to gain and Kramer kicked to Burns on Duquesne's 31-yard line. After three unsuccessful attempts to gain, Heisel punted to Cox who received the ball on his own 20-yard line and advanced it 10 yards. Falkenstein went in for Thompson. Two forward passes failed, but on the third down Munhall made first down on a delayed line-buck for 13 yards. On the same play Arnold gained 9 more. Munhall's 2 yards brought first down. Arnold and Bash advanced 4 yards and Cox around left end 15 more. 7 yards were lost by a fumble which was made by Cox, but this distance was regained with interest by a forward pass from him to Bash for 14 yards. Munhall made first down. Heisel intercepted the next pass tried, but it went for nothing as time for the quarter ended soon after with the ball on Duquesne's 32-yard line and in her possession. Score, Allegheny 13, Duquesne 0.

Third Quarter.

Kramer's kick-off was captured by O'Mally on his 15-yard line and advanced by him to the 22-yard line. Ringel got away for what looked like a touch-down but the play did not count as the whistle had blown for a 15-yard penalty on Duquesne for holding. After two downs went for nothing Heisel booted to Cox who carried the ball back 13 yards to his own 32-yard line before he was thrown. First down was made by three line-bucks and an end-run. Munhall made 1 yard and Arnold 5. Howard went in for Damrotoski. Bash on an 8-yard line buck brought the ball to within 8 yards of the line. Arnold lost 4 yards and Cox 5. Bash was interfered with on the next play as he was about to catch a forward pass from Cox and Allegheny was awarded a 15-yard penalty to Duquesne's 5-yard line. Munhall went over for the touch-down and later kicked goal. Score, Allegheny 20, Duquesne 0.

McLean returned Kramer's kick-off on a pretty run through a broken field from the 25-yard line to the 45-yard line. Two attempts at forwards failed and Heisel kicked to Cox on Allegheny's 43-yard line Bash made 4 yards, Arnold 5, Munhall 8 and 4 through the line. A forward pass to Arnold failed by a hair-breadth. Another, Cox to Bash, netted 20 yards and brought the ball up to the 12-yard line. Bash failed to gain, Munhall made 2 yards, and a forward, Cox to Emery put the ball over the line for the fourth touch-down. Cox kicked out and Munhall made goal. Score, Allegheny 27, Duquesne 0.

Morissey went in for Heisel. Bash's kick-off was short and O'Malley ran it back to Allegheny's 47-yard line. Metcalf went in for Emery. Morissey kicked and Kramer returned the punt, giving the ball to Duquesne on her 45-yard line. On the first two downs Duquesne made 5 yards but lost them on the third. Dotterrer was injured and gave way to Witter. On the fourth down Duquesne kicked a touch-back and the ball went to Allegheny on her 20-yard line. Allegheny was unable to gain and Kramer attempted to kick, but his punt was blocked and the ball went to Duquesne on Allegheny's 16-yard line. The quarter ended at this point. Score, Allegheny 27, Duquesne 0.

Fourth Quarter.

Burns, at quarter, gave way to Morissey, whose place was taken by Heisel. After losing about 15 yards on three downs Heisel's attempt at a drop-kick for goal from the 25-yard line was successful and gave Duquesne her only score of the game. Score, Allegheny 27, Duquesne 3.

Ricker went in for Cox. Heisel kicked off to Arnold on the 15-yard line and he returned it to the 32-yard line. Bash made his best gain of the game on an end run that netted 22 yards. Arnold made 9 yards on a similar play. Heisel intercepted a forward pass for Duquesne on the 37-yard line and on the next play Allshouse gave the ball back to Allegheny by intercepting one of Duquesne's on the 45-yard line. The backs made 8 yards on three downs and Kramer kicked a touch-back, the ball going to Duquesne on her own 20-yard line. Three downs brought Duquesne nothing and on the fourth a kick was started when Allshouse, Baker and Kramer got through the line and blocked it, Allshouse falling on the ball for a touch-down back of the line. Munhall kicked the goal. Score, Allegheny 34, Duquesne 3.

Kramer kicked off to McLean who carried the ball back 5 yards to his own 25-yard line. After two attempts at forwards had failed, a third was successful, Heisel to Callahan, for a gain of 30 yards. Duquesne made first down on two plays. On the next three downs no ground was gained and Heisel's attempt at an end run on a fake drop-kick for goal was unsuccessful and the ball went to Allegheny on downs. Kramer kicked. Duquesne was unable to gain and also kicked to Arnold who caught the ball on the center line and returned 18 yards before he was stopped. Arnold made 9 yards through the line and Duquesne's penalty gave first down. Arnold made 5 yards but was hurt. Metcalf was substituted for Arnold and Smith for Metcalf. Bash made 3 yards and Munhall went over for the last touch-down. He kicked goal. Score Allegheny 41, Duquesne 3. As there was but a quarter of a minute to play, the game was called with the score the same. The line-up follows:

Allegheny		Duquesne
Emery	L. E.	Callahan
Kramer	L. T.	McClean
Brooks	L. G	Mosti
Allshouse	C.	Damrotoski
Dotterrer	R. G.	Thompson
Baker	R. T.	O'Malley
Pierson	R. E.	Flatley
Cox	Q. B.	Burns
Arnold	L. H.	Ringel
Bash	R. H.	Shortley, Capt.
Munhall, Capt.	F. B.	Heisel

Substitutions—Allegheny: Metcalf, for Emery, Witter for Dotterrer, Ricker for Cox, Smith for Metcalf, Metcalf for Arnold. Duquesne—Falkenstein for Mosti, Morrissey for Ringel, Brennan for Thompson, Howard for Damrotoski, Marshall for Howard.

Touchdowns—Bash, Kramer, Munhall (2), Emery, Allshouse.

Goal from field—Heisel.

Goal from touchdown—Munhall, 5.

Referee—Evans of Reserve. Umpire, Smith, of Oberlin. Head linesman, Graham, of Allegheny.

Paul M. Hillman, '11, is pastor of the Methodist Church and principal of the High School at Liberty Center, Iowa.

The editor of the Edinboro Independent, Francis L. LaBounty, '07, was a visitor at Allegheny, Monday.
