

1876

THE CAMPUS

OF ALLEGHENY COLLEGE

1914

VOLUME XXXIII.—NO. 9.

MEADVILLE, PA., NOV. 24, 1914.

MEN'S WEEK WILL COMMENCE NEXT MONDAY EVENING—DR. BAGNELL, LEADER

Well Known Philadelphia Clergyman Will be Assisted by Two Allegheny Alumni, the Rev. Merrill, '04, and the Rev. Travis, '02.

Next Monday evening opens a campaign that is to last one week, which is one of the most important and at the same time most distinctively belonging to the students of anything in any branch of student activities during the entire college year. This is the annual Men's Week campaign to be held under the direction of the local Y. M. C. A. Not only is it important enough to receive the hearty co-operation of the entire faculty, one hour every evening for meetings, and the Chapel period for the entire week, but more than this it is to replace every college activity except the regular classes for the time set apart for it. There will be no quizzes given in any subject, no club meetings, and no date will be given for any social function or college activity of any nature. It is students' week in general and more distinctively Men's Week.

The plan for the week is to have Dr. Bagnell speak at Chapel each morning, conduct a ten minute prayer meeting just after the last morning class, at twelve-thirty, and then have charge of the evening service at six-forty-five every evening. An opportunity will also be arranged for group meetings for special purposes during the day, this arrangement to be made after Dr. Bagnell arrives.

For two weeks preceding the campaign preparations have been going on by both the Y. M. and Y. W. C. A. cabinets for the week of meetings. The work of the week is to be as much among the young women of the college as the young men. It was at first planned to have a lady member of the party take entire charge of the work among the girls in Hulings Hall and the town, but later this was changed and at present the plan is to have one of the younger men con-

Dr. Robert Bagnell, in charge of Men's Week.

This idea of a college Men's Week, which is now a well settled college tradition, and a very active means of help to the student body, was started four years ago when two of the younger alumni of Allegheny were called in to help for a week just after Thanksgiving, with the active work of the Y. M. C. A., in their effort to help the men of the college. Each year more special attention has been given the project with corresponding success. This year more concentrated effort is being given to make the week a success than ever before. In fact, by comparison there has never been a year when more thought and time has been given to preparation beforehand to have everything in condition to start immediately in the work.

The week opens next Monday, November 30, and continues until Saturday, December 5, ending probably with a Saturday evening meeting. The men who are to have charge this year are three in number, the Rev. Robert Bagnell, pastor of the Park Avenue Methodist Episcopal church of Philadelphia, assisted by the Rev. R. N. Merrill, '04, and the Rev. A. K. Travis, '02, both Allegheny alumni and members of the Erie Conference. Dr. Bagnell is a Columbia University man, receiving his A. M. degree there in '09, and his Ph. D. in '11.

duct the meetings under the direction of the Y. W. C. A.

The work and methods to be used have been carefully considered. Definite preparation has been made for definite needs, and the men of the cabinet which has met regularly every Monday morning have been studying how to be most useful and helpful to the services of the week. The girls in Hulings have been holding daily prayer circles, and a union meeting of these circles each Friday and their cabinet has been likewise preparing for their part in the work.

The members of the faculty are much interested in the coming campaign and while they will not be called on probably for much of the actual work, still they have co-operated with the two cabinets in the plans and are heartily in sympathy with the things they have undertaken.

In a letter to H. J. Hartman, '15, president of the Y. M. C. A., Dr. Bagnell expresses the purpose of the week as follows:

"Our objective will be threefold—to secure the personal surrender to Christ of every student not a Christian—to help as many as possible to settle their life work problems—and to give such help as we can to any of the students having troubles or perplexities of mind or heart."

DR. SMITH TELLS OF CENTENNIAL PAGEANT

Professor Baker Now Busy Writing Allegheny's Pageant.

Probably the most realistic glimpse that the students have had up to this time of what the Centennial Pageant next June really is and what it will mean, was given in the speech in Chapel given by Dr. Smith last Friday morning in the Assembly period. Dr. Smith had just returned the day before from Harvard, where he had been in consultation with Professor Baker, of Harvard, who is writing the Allegheny Pageant, and the Chapel speech was a very enthusiastic account of the progress so far made on the pageant and the final plans for its presentation.

Professor George Pierce Baker, the man who is writing the pageant, is a distinctive man in his chosen work. A son of Harvard, class of '87, he has risen in his profession and carried his profession with him until today he stands as a man pre-eminent in artistic craftsmanship. Specializing in the dramatic and forensic activities of the university when a student there, he accepted a professorship there after his graduation in the English department, being professor in "English 47," as his division was known. Under his peculiarly gifted talent and direction and by his special attention to the drama in his classes a new impetus was given to his branch of teaching in the university, and finally, realizing the importance of this branch of study, Harvard announced a few years ago that a new course of study in drama writing and criticism would be offered. The man placed in charge of the work was Professor Baker, with the title of Professor of Dramatic Criticism.

Under this new course his class room became a workshop in which plays were not only criticised but produced by the students in the course. The room became popularly known as "Workshop 47," and as such it is known today. When the new course was first announced, playwrights and New York stage managers watched the experiment somewhat incredulously, but the decided success that the experiment proved to be has not only silenced any opposition to it, but has actually established a reputation in New York for the work turned out, and the productions that at first were produced with difficulty in Boston and New York are now sought after by stage managers of the metropolis as sure successes.

Not only outside his own immediate circle has his work been appreciated but even "in his own country" he has not been without honor, and Harvard in appreciation of a real asset of value in their own midst is now preparing to fill one last needed equipment of this department and build a theater of their own for the production of plays of "Workshop 47."

This is the man who is to be at Allegheny next June and play such an important part in this very important phase of our college's history. He visited Allegheny last spring at the time of Commencement and made his initial plans then for the work he is to do on the pageant. Since that time Dr. Smith has been in almost constant touch with him, supplying him with the historical data needed in his work and filling out any information he may be able to use. Professor Baker is at present in touch with the man who is to have charge of the music of the pageant.

Not only is Professor Baker writing the pageant as a master of his art, but also he is composing it with the spirit of an Alleghenian. He is thoroughly in sympathy with the efforts the college has made in her past history and also with her stand in educational circles today. He is a son of Harvard and says he likes to think that as a son of his alma mater, Timothy Alden, came into Pennsylvania to found a new institution of learning so, he, too, is not only a true son of Harvard, but also of Alden's new Harvard, Allegheny, and thus a true Alleghenian.

ALLEGHENY DEFEATS CARNEGIE TECH AT PITTSBURGH SATURDAY—SCORE, 26 TO 7

Every Man Plays a Fine Game—The Victory Places the Gold and Blue as the Third Best Team in Western Pennsylvania.

One more scalp has been added to the war-belt of the Gold and Blue which now boasts of five and a half perfectly good top-knots, the one-half belonging to a certain party that managed to get away before the process was entirely completed. The last scalp won is that of the Carnegie Institute of Technology who consent-

Hammett's men won the game on account of other reasons.

When one starts to pick out the stars of the game, he immediately gets into hot water. Not a man on the team should go without mention. Certainly the whole backfield, particularly Captain Munhall, played wonderful football. At right end Pierson was another star. Metcalf held down left end for his first time in a 'varsity game and guarded it in fine style. Brooks was as usual in on every play. Cox ran the team well and executed four beautiful forward passes. Bash and Arnold were steady ground gainers.

As usual, different ones of the students have begun to put together "dope" with wonderful results. Every one is able to figure out how, according to "dope," Allegheny would be able to walk over Harvard with a field goal, while Yale would never have a chance against the Gold and Blue. Of course all of this is done in the spirit of fun, but certainly Allegheny can boast of as good a claim on the third best team in Western Pennsylvania as any other team in this section. Westminster is the only other claimant for that honor and a game between Allegheny and that school would be of special interest.

The score in detail is given as follows:

First Quarter.

Oefinger kicked off for Tech to Bash on the 10-yard line, who carried the ball back to the 30-yard line. Arnold and Munhall made first down on two plays. Bash failed to gain. Munhall made 3 and 5 yards and then fumbled. Baker recovered for Allegheny, but Tech won the ball on downs. Allegheny recovered the ball after Tech had gained 4 yards.

Cox, '16, who ran the team well at Pittsburgh.

ed, after one solid hour of the fiercest fighting, to part with it. In other words, Allegheny defeated Tech last Saturday at Pittsburgh by a score of 26 to 7.

If ever victory brought joy to the hearts of the undergraduates that victory was the one gained last Saturday. A hard game, with a possible defeat, or if a victory, by a narrow margin, was anticipated by all and no one had the hardihood to hope for such a victory as was really won. Tech's team this year is rated as one of the best that she has had in some time and after the great stand which the Plaid made against Pitt last week things looked rather dubious for Allegheny. In the Tech team this year there are a number of players of unusual ability. Chief, perhaps among these is Kesner, at quarter. He is a clever field general as well as a resourceful runner with the ball. Another is Marshall at left half, who was responsible for the lone tally made by Tech in last Saturday's game. Tech was reported as having a great number of fancy and assorted trick plays which the Plaid had been saving for the Gold and Blue, among them being a double and a triple pass, criss-cross line bucks, delayed passes, and lateral passes. None of these worked consistently against Allegheny, however, and when several of them were tried, it was with loss.

On the other hand, Allegheny's play exceeded expectation. In every way the Gold and Blue played better football than they have at any other time this year. The team may be said to have "opened up." They put into practice all of the plays which they have not had to use before this year and practically all went for good gains. Allegheny was especially good in her use of the forward pass. Seven trials of it were made and four of them went good, two of these for gains of over 30 yards. The backfield worked together as never before. Many long runs with perfect interference were made. The line held like a stone wall practically the whole game. In spite of the fact that Pittsburgh papers claimed that Tech was far out-weighted, it was found after the game that if there was any advantage in weight it lay with Tech. Coach

Pierson, '16, veteran end, whose defensive work was a feature.

Six yards were made by Bash and Munhall on three downs and on the fourth Kramer punted to Kesner on the 15-yard line, who ran the ball back 5 yards. Kreider fumbled and

(Continued on page 4.)

CALENDAR

TONIGHT, 7:00 P. M.—German Club, in Bentley Hall.
WEDNESDAY, 6:45 P. M.—Y. M. C. A., in Cochran Hall. President Crawford will speak.
6:45 P. M.—Y. W. C. A., in Hulings Hall.
THURSDAY, 7:00 A. M.—Sunrise prayer meeting, in the Chapel. J. G. Lane, '15, in charge.
2:30 P. M.—Allegheny vs. Grove City.
MONDAY, 6:45 P. M.—Men's services begin.

THE CAMPUS

OF ALLEGHENY COLLEGE.
Established 1876.

Entered as second-class matter October 30, 1904, at the Postoffice at Meadville, Pa., under the Act of Congress of March 3, 1879.

Published every Tuesday morning during the academic year by a staff of editors selected on a competitive basis from the students of Allegheny College and devoted to the interests of the college and its community.

Subscriptions \$1.50 a year; \$1.00 in advance. Single copies 6 cents.

The Campus is forwarded to all subscribers until an explicit order is received for its discontinuance, and until all arrearages are paid according to law. Subscribers are requested to inform the Business Manager of any change of address.

Communications intended for publication should be sent to the Editor or dropped in the box in the main hall of Bentley before 9:00 a. m. Saturday.

NOVEMBER 24, 1914.

With next Monday commences a week of special interest; it is set apart by the faculty for the religious life and work of the college. It is hoped that every man will take the opportunity of hearing such a great speaker as Dr. Bagnell, of Philadelphia, and the other two leaders who have been secured for this occasion. These men will have a message well worth our attention and serious thought.

And what a game it was! We cannot give too much credit to the members of our football team and to Coach Hammett for the extraordinary showing which they made last Saturday at Pittsburgh. Those Allegheny supporters who were present, and they numbered well over one hundred, did all they could to show their appreciation of the great work of our eleven. The enthusiasm was unbounded, and on every hand one heard those who have carefully followed our records in football express the opinion that our present team is the strongest one that has ever represented the Gold and Blue.

Our men played the game to a man. The alumni and undergraduates present were especially proud because the team played a clean, honest game, and outclassed its opponents by superior playing.

This success permits Allegheny to claim its place as the third best team in Western Pennsylvania, Washington and Jefferson being first and the University of Pittsburgh second. To hold this high place among the teams of Western Pennsylvania and to rank higher than the majority of colleges in Ohio is an athletic honor which we have long coveted and which we are now proud of possessing.

FORUM MEETS.

For the first time the 'varsity debating question received the attention of the forum last Thursday afternoon. As stated for the inter-collegiate and inter-class debates the question reads: "Resolved, That the United States should initiate a policy of increasing governmental responsibility for the natives of the Philippines, to culminate in independence in 1925," with the preliminary agreement: "By independence is meant the degree of national independence which the United States allows Cuba." The affirmative supported by C. M. Cobern, '18, and W. M. Depp, '16, gained the decision over the negative, J. D. Regester, '18, and John Bright, '15, by a vote of 19-12. It has been decided to argue this question for several of the coming meetings of the Forum so that all may be fully acquainted with the various angles of the question before the 'varsity try-outs take place. The affirmative of this question will be upheld at the next meeting of the Forum by C. W. Flick, '15, and C. J. Bryer, '18. The negative team will be E. B. Leaf, '16, and P. R. Singleton, '18.

Invitations were out last week for the annual Thanksgiving Party at Hulings Hall.

NEW YORK ALUMNI MEET

Hold Meeting at the Aldine Club—Dr. Crawford Present.

Enthusiasm for Allegheny, and particularly for the coming Centennial Celebration, ran high at the Aldine Club, New York, on last Tuesday evening, when fifty-six loyal Alleghenians gathered for the annual dinner and meeting of the New York Alumni Association. The retiring president, Frank Chapin Bray, ex-'86, of the New York "Independent," presided, and President Crawford and Dr. Snively represented the trustees and faculty.

Hon. Fred C. Howe, '89, recently appointed Commissioner of Immigration for the Port of New York, spoke on the new ideas and ideals in education. Dr. Snively related his experience as a refugee from the war zone last summer.

Paul Sturtevant, '99, chairman of the Centennial Pageant Committee, came on from Pittsburgh to present the plans and details for the pageant. President Crawford outlined the activities of the entire Centennial Week and urged the presence of every alumnus.

W. P. Sturtevant, '06, who has served for several years as secretary for the association, was elected president. Gilbert W. Mead, '11, was made secretary-treasurer.

Miss Ida M. Tarbell, '80, Allegheny's most famous alumna was also present.

In all, classes were represented which cover a period of nearly a half century. Allegheny songs and cheers interspersed throughout the evening, helped to increase the enthusiasm and spirit of the occasion.

DEPARTMENTAL CLUBS MEET.

Classical Club.

Two of the departmental clubs—the Classical Club and the Tingley Biological Club—held regular meetings last Tuesday evening. At the Classical Club, Dr. Elliott gave a very entertaining and instructive talk on the monasteries of Greece. Several years ago Dr. Elliott had the opportunity of spending some time in that section of Europe and visited a number of these old monasteries, many of them with histories that go back to the fourteenth and even to the thirteenth century. His description of his short stops at them proved to be exceptionally interesting as well as instructive, and his narration of some of the experiences which he had in connection with them were very amusing. After his talk, Miss Rowley, who toured that country last year, added several items of interest in her account of the visits which she paid to some of the same monasteries of which Dr. Elliott spoke.

Tingley Biological Club.

The topic of the evening at the Tingley Biological Club was "Trees and Shrubs" with Miss Ethel Roach, '16, and Miss Mae Gillespie, '15, in charge of the program. Many facts of peculiar interest concerning this branch of plant-life which are not generally known were brought out in the discussion. A new plan for creating interest among the listeners was inaugurated in accordance with which each member present is expected to have some question ready to ask immediately after the conclusion of the more formal papers of those who have the program in charge. These questions are put to the leaders of the evening and in case that they are unable to answer, they are turned over to the general discussion of the meeting. The program for the next meeting is in charge of M. G. Mellon, '15, and C. M. McConnell, '15. The meeting one month distant is to be open to all who desire to come and the talk of the evening, "The Evolution of the Mind," will be given by Dr. F. G. Henke.

Thoburn Club.

The Thoburn Club held its regular meeting last Friday evening. Dr. T. R. Thoburn, of Erie, who had charge of last year's Men's Week, addressed the club and pointed out the duty of its members to support in every possible way the leaders of these services this year to the end that the greatest good may be derived therefrom.

During the past week two of the fraternities, Delta Tau Delta and Alpha Chi Rho, entertained the Freshman Class. This week Phi Delta Theta will hold open house on Friday evening, and Phi Gamma Delta on Saturday evening.

GROVE CITY WILL BE PLAYED IN FINAL GAME

Thanksgiving brings Grove City here for the last game of the season. According to "dope" Allegheny should have little trouble in carrying off first honors, for Grove City has been beaten several times this year by teams that the Gold and Blue has had a comparatively easy time with. Grove City was defeated for instance by Carnegie Tech by a score of 53-0 and the brilliant victory of 26-7 which the Gold and Blue scored over the same opponents last Saturday shows relatively the strength of Grove City and Allegheny. But as was proven last year "dope" does not always work out, especially when Grove City is one of the parties and Allegheny the other, and yet any one who has made any kind of a study of the playing and records of the two teams cannot but believe that Allegheny should be returned victor on Thanksgiving day.

Grove City's team this year has not been as great a success as usual. The team is unusually heavy for a college eleven but seems to lack spirit, is slow, and has not much team-work. Several of the players of last year's victorious team are playing again this year.

Allegheny should be in the best of shape to meet these old rivals from Grove City next Thursday. Although the game with Carnegie Tech last Saturday was a hard one, yet with the exception of Metcalf at left end and Dotterer at right guard, no one was injured. Ricker got into the game also and showed that in spite of his long lay-off he was still in the possession of his former "pep" and football sense.

The chances are that practically the same line-up as was used against Tech will start the game against Grove City for the work of that combination at Pittsburgh last Saturday far surpassed anything that any other combination has put up this year. On last Saturday Westminster dropped Grove City rather hard with a score of 30-0. It is the ambition of every student to beat Grove City even worse in order to wipe out the losses of the last two or three years and in order to show Westminster, who is claiming the third best team in Western Pennsylvania, that there is another applicant for the same honor.

Since 1900 nineteen games have been played. Of these, ten have been victories for Allegheny, eight defeats and one a tie. The scores follow: 1900—Allegheny 6, Grove City 0; Allegheny 0, Grove City 6. 1901—Allegheny 11, Grove City 0; Allegheny 0, Grove City 12. 1902—Allegheny 17, Grove City 0; Allegheny 6, Grove City 0. 1903—Allegheny 27, Grove City 0; Allegheny 0, Grove City 16. 1904—Allegheny 6, Grove City 0. 1906—Allegheny 6, Grove City 0; Allegheny 0, Grove City 16. 1907—Allegheny 6, Grove City 5; Allegheny 11, Grove City 4. 1908—Allegheny 10, Grove City 9. 1909—Allegheny 0, Grove City 54. 1910—Allegheny 6, Grove City 6. 1911—Allegheny 3, Grove City 14. 1912—Allegheny 0, Grove City 9. 1913—Allegheny 8, Grove City 9.

GLEE AND MANDOLIN CLUBS ENTERTAIN AT LINESVILLE

Friday night's concert at Linesville opened the season for the combined Glee and Mandolin clubs and was an unqualified success in spite of the fact that it was unusually early and that the clubs had had but a short time for practice. The first part of the program was especially well received. "Swing Along" by the Glee Club proved to be the most popular number of the evening's entertainment. "Gypsy Serenade," by the Mandolin Club and two solos by R. H. Downing, the leader of this year's Glee Club, were also heartily applauded. Another number of the program, an instrumental trio—mandolin, cello and harp—by Messrs. Miller, Doane and Middleton, is sure to be a feature of the work of the clubs this year.

ALPHA CHI OMEGA AWARDED CUP

Delta Chapter of Alpha Chi Omega at Allegheny College has been honored by the award of the Lyre Loving Cup for the college year 1914-15. The Lyre, the national fraternity magazine of Alpha Chi Omega, offers this cup each year to the chapter ranking highest in Lyre relations.

M. L. Witherup, '16, was recently initiated into Phi Delta Theta.

UNIVERSITY of PITTSBURG
THE SCHOOL OF MEDICINE

The School of Medicine of the University of Pittsburgh offers two courses of instruction—one the regular four-year all medical course leading to the degree of M. D., for which the entrance requirements are two years of recognized college work, including courses in Chemistry (Inorganic and Organic), Physics, Biology, and German or French, in addition to the four-year high school course; the other the six-year combined medical and college course leading to the degrees of B. S. and M. D., for which the entrance requirements are the four-year high school course or its equivalent.

The School now occupies a thoroughly-equipped laboratory building on the University campus. The Medical School is in affiliation with two general and five special hospitals representing a combined bed capacity of over fourteen hundred beds. Clinical work is given to small sections of the class in these affiliated hospitals. The required work including residence in a Maternity Hospital with board and room furnished.

Twenty-ninth Annual Session begins September 28th, 1914.
For bulletin and information, address,
THOMAS SHAW ARBUTHNOT, M. D.,
(Dean) Grant Boulevard, Pittsburgh, Pa.

NEWS ITEMS

W. F. Dalzell, '13, visited the college for a few days recently.

In the absence of the pastor, the pulpit of the State Street Methodist Church was occupied last Sunday in the morning by Dr. W. C. Heffner and in the evening by H. E. Drake, '16.

Louis H. Lauderbaugh, '76, of Meadville, county treasurer of Crawford county, has been nominated by the grand chapter at Philadelphia for the office of grand warden of the Independent Order of Odd Fellows of the state of Pennsylvania.

Tonight the Glee and Mandolin Clubs will give another concert, this time under the auspices of the Methodist Church at Cambridge Springs. Tomorrow they will appear in Erie under the auspices of the Olympian Club of the Erie High School.

Sunday afternoon a large number of the members of the Y. M. C. A. and Y. W. C. A. paid a visit to the County Home. Flowers and refreshments were taken and several songs were sung for the inmates. This visit is one of a number made during the year by the combined Christian Associations to institutions of a like character about Meadville.

Horace C. Fitzpatrick, who has acted as assistant football coach since the opening of the football season, and who has done such valuable work in keeping in shape the team that opposed the "varsity" every night in practice, left Allegheny last Thursday afternoon for his home in Independence, Kansas, where he will enter the employ of his father in the oil business.

The Delta Tau Delta smoker held a week ago Saturday, was one of the delightful social events of the season. The spacious home on Highland Avenue was fittingly decorated for the occasion and throughout the evening a continual train of guests came and went. All the fraternity men of the college and the members of the faculty were guests. Refreshments consisting of cider, doughnuts, chestnuts,

apples, etc., were served, and all those who wished had plenty of opportunity to partake of the "weed."

A collection of over twenty dollars was taken up among the students and faculty last Friday morning in the regular Assembly in Chapel to put the College Band in shape for the Thursday afternoon game with Grove City. H. L. Askey, '15, explained the need for student support. The two drums belonging to the band were pressed into service to help in the celebration after the victory over Rochester in the football game last month, and came out of the ceremonies much the worse for wear.

Cheerleader E. A. Robinson, '15, also announced the plans for the trip to the Tech game at Pittsburgh last Saturday and urged as many as possible to be on hand to root for a sure winning team.

Hulings Hall

The active chapter of Alpha Chi Omega gave a reception to their alumnae residing in Meadville, the wives of the faculty, the Senior girls of the other fraternities and the mothers of their girls living in town on Friday afternoon, in their fraternity rooms.

Miss Esta Ebaugh, '15, conducted a very interesting Y. W. C. A. meeting on Sunday evening. She explained the meaning of the topic, "Thanksgiving," after which several of the girls spoke about the many things to be thankful for this Thanksgiving. A special feature of the meeting was a piano solo by Miss Marion Klingler, '18.

On Saturday evening the girls of the Teutonian organization entertained the Freshman girls at a party in the Library. The entertainment for the evening followed the college calendar from registration day and entrance examinations to the exercises of Commencement week. A very enjoyable part of the evening was the Washington's Birthday banquet, when dainty refreshments were served.

DR. LEE TO SPEAK
AT PRINCETON

That the Allegheny Chemistry department is receiving its full share of recognition is borne out by the fact that Dr. Lee has been invited by the faculty and students of the Chemistry department at the University of Princeton to deliver an address in the near future on the research work that is being done here in the chemical laboratories at Allegheny.

Another item of interest with reference to the Chemistry department is the appearance in the current number of the "Journal of the American Public Health Association" of an article contributed by Dr. Lee and W. H. Fegely, '14, on the subject, "Comparative Study of Efficiencies of Certain Fermentation Tubes." Another article written by Dr. Lee, Professor Trickey and W. H. Fegely, '14, on the subject, "A New and Rapid Method for the Quantitative Analysis of Brass and Bronze," appeared in the August number of the "Journal of Industrial and Engineering Chemistry." Both of these papers have been the result of research work done in the laboratories of the Chemical building.

DR. KELLY SPEAKS AT Y. M. C. A.

One of the finest and most helpful talks that have been given before the Y. M. C. A. this year was that given by Dr. Mark Kelly, of the Stone Church, of this city, last Wednesday evening. His words carried with them unusual power and force by reason of the fact that they pointed out the duty which is placed upon every student of the college to make the men's services which are to take in just one week a success in every way.

Dr. Kelly pointed out that there are a great many in this world who care nothing about the church. To them it makes no difference whether things go well in the church or not; but they overlook the fact that church members are able to do many things for society. All life is linked so closely together that it matters considerably to everyone how the other fellow is getting along.

ALLEGHENY WINS GREATEST VICTORY OF THE SEASON.

(Continued from page 1.)

the ball went to the Gold and Blue. On the third down Bash kicked a field goal from the 23-yard line. Score, Allegheny 3, Tech 0.

Munhall returned Oefinger's kick-off to the 27-yard line. Arnold made 3 yards at end, but Allegheny was penalized 5 for off-side. Kramer's punt to Kesner on the 5-yard line was returned 10 yards. Kesner punted to Allegheny's 49-yard line. Arnold gained 0, Cox 9, and Bash 2 yards for first down. Two forwards were incomplete. Cox punted to Kesner, who carried the ball back to his 5-yard line; Kesner returned the punt to Arnold on the 35-yard line. Arnold and Cox made 5 yards on three downs and on the fourth Cox kicked out of bounds on Tech's 12-yard line. Kesner returned the kick to Arnold on his 35-yard line. Allegheny got first down on Tech's off-side. Cox's forward pass of 30 yards to Bash was true and the latter went over for the first touch-down. Munhall kicked goal and time ended. Score, Allegheny 10, Tech 0.

Second Quarter.

Oefinger kicked-off to Cox, who ran the ball back 9 yards to his 25-yard line. After Munhall had made 6 yards through the line, Allegheny was penalized for off-side. Cox made 8 around end and Kramer kicked to Marshall on Tech's 47-yard line. A lateral pass, Hellstrom to Marshall, netted Tech 20 yards. Oefinger made 5, but the next two downs brought no advance. McDonald went in for Kreider at half. Kesner's short punt was caught by McDonald on his 16-yard line. No ground was gained on the next three downs. Kesner's forward on the fourth was incomplete and Allegheny got the ball on downs on her own 12-yard line. After Arnold had made 7 yards on the first play Tech held for downs and got the ball. On two plays Kesner advanced the ball 16 yards. Kinney went in for Dotterer. It required three downs for Tech to win the necessary 3 yards for the touch-down. Marshall carried the ball over. Kesner "kicked out" to Kelley, who "heeled" the ball at a difficult angle. Kesner kicked a pretty

goal. Score, Allegheny 10, Tech 7. Munhall carried Oefinger's kick-off back 15 yards to his 36-yard line. Allegheny made 17 yards before the half ended. Score, Allegheny 10, Tech 7.

Third Quarter.

Oefinger kicked-off again to Munhall, who returned the ball 10 yards to his 25-yard line. Kramer's attempt at a punt was blocked by Hellstrom and recovered for Tech by Welsh. McDonald made 3 yards on three downs. Kesner's forward over the line was incomplete and Allegheny took the ball on her own 20-yard line. After Munhall and Arnold failed to gain, Cox made first down. Kramer and Keaner exchanged punts, ending with Cox's capturing Kesner's punt on the 43-yard line and running through a broken field and past four tacklers to the 3-yard line. Cox went over on the third try. Munhall missed goal. Score, Allegheny 16, Tech 7.

Arnold caught Oefinger's kick-off and ran it back to his 33-yard line. Munhall, after failing on the first attempt, made 8 yards through the line. Cox's perfect pass to Bash was good for 30 yards and brought the ball to Tech's 35-yard line. Munhall and Arnold made first down. Kramer's attempt at a field-goal from the 25-yard line failed. Tech took the ball on her 20-yard line. Two tries made 5 yards for Tech. Kesner's short punt was caught by Cox on the 38-yard line, where he was downed in his tracks. Allegheny was unable to make any ground in three trials and Kramer punted to Kesner, who returned to his 15-yard line. After making 2 yards, he kicked to the 40-yard line. Ricker went in for Bash. Ricker made 2 through the line. Cox passed another perfect forward to Arnold, who carried it to Tech's 25-yard line. A forward pass was incomplete. Boileau went in for Fletcher. Munhall kicked a field-goal from the 25-yard line. Score, Allegheny 19, Tech 7.

Kramer's kick-off was returned 13 yards by Kesner to his 35-yard line. Four yards were lost on a triple pass. Time for the quarter ended. Score, Allegheny 19, Tech 0.

Fourth Quarter.

It was Tech's ball on her 31-yard line. Kreider took Levy's place. After two downs gained nothing, Kesner kicked to Allegheny's 28-yard

line. Munhall made first down on two line plunges. Munhall and Cox made first down again. Arnold got away for a beautiful end-run of 26 yards to Tech's 25-yard line. Five yards were made on two downs and then Cox threw another fine forward pass to Arnold, who was waiting 20 yards away on the 1-yard line. Arnold went over on the next play for the touch-down. Cox kicked out to Munhall, who kicked goal. Score, Allegheny 26, Tech 7.

Munhall carried Oefinger's kick-off back to the 35-yard line. Metcalf was injured and replaced by Emery. Ricker gained 2 yards, Arnold 0. Cox tried another forward, but it was intercepted by McDonald on Tech's 47-yard line. Kesner kicked a "touch-back" and Allegheny took the ball on the 20-yard line. Allegheny made 8 yards and was penalized 15 for holding. Kramer kicked out of danger to mid-field. Marshall made 11 yards and Kesner's incomplete forward was the last play of the game. Score, Allegheny 26, Tech 7.

The line-ups follow:

Allegheny	Tech
Metcalf L. E.	Lauer
Kramer L. T.	Welsh
Brooks L. G.	Kelley
Allhouse C.	Hellstrom
Dotterer R. G.	Fletcher
Baker R. T.	Holzworth
Pierson R. E.	Levy
Cox Q. B.	Kesner
Arnold L. H.	Marshall
Bash R. H.	Kreider
Munhall F. B.	Oefinger

Touchdowns—Arnold, Cox, Bash, Marshall.
Goals from touchdown—Kesner 1, Munhall 2.
Goals from field—Bash and Munhall.

Substitutions—Allegheny: Kinney for Dotterer; Ricker for Bash; Emery for Metcalf. Tech: McDonald for Kreider; Boileau for Fletcher; Kreider for Levy.
Referee: Hammond of Michigan. Umpire, Fry, of Pittsburg Athletic association. Head linesman, Daud, of Lafayette. Time of quarters, fifteen minutes.

ANOTHER ALLEGHENY ALUMNUS IS PROMOTED

Another of Allegheny's sons has gone "higher up." Within the past two weeks W. P. Sturtevant, '06, has been appointed Assistant Claims Agent on the Delaware and Lackawanna Railroad system. For several years Mr. Sturtevant has been connected with the railroad in the capacity of District Claims Agent and his promotion comes as the result of careful and conscientious work.

While an under-graduate in college Mr. Sturtevant played an important part in student affairs of his day. He was actively identified with every organization in school and was recognized at that time as a man who would make a place for himself in the world. He was a member of Quill Club and represented his alma mater on the forensic platform as a 'varsity debater and in athletics as football manager in his Senior year. Since his graduation he has been one of Allegheny's most enthusiastic alumni.

At present he is the president of the New York Alumni Association and as such is vitally interested in the coming Centennial Celebration.

The "Safety First" movement which has been spreading over the country like wild-fire during the last three years was begun by the Lackawanna Railroad and of its employees no one, perhaps, is more responsible for the movement than W. P. Sturtevant. The whole agitation arose largely as the result of the publication of a Bulletin by Mr. Sturtevant in which he for the first time applied the Golden Rule to railroading in such short phrases as these: "You are your brother's keeper, be safe yourself and help him to be safe." "Eternal vigilance is the price of safety." The result of the preaching of such a doctrine is best seen from the figures taken from the last Bulletin written by Mr. Sturtevant: Decrease of killed for the first six months of 1914 over the first six months of 1911 (before the "Safety First" movement began), 79%; of injured for the same period, 27%. Allegheny is certainly proud to be able to number as one of her graduates a man who has done such valuable work in this line of social service and rejoices to hear that his good work has been rewarded.

At the University of Oregon there is being erected a new administration building which will cost \$100,000. In addition \$75,000 is being spent on repairs of other buildings.
