Dear Miss Tarbell:

**Thank you for yours, with
the letter from Miss Hoffman.**

**It is a great disappointment
if she will not be here at the Friendship
Dinner, but in view of the fact that she
probably would not attend, from what she
writes, I do not see the necessity of
postponing it to any other month in
order to insure her presence.**

**However, I am passing this
message on to the Executive Committee
of the Central Committee, who will
probably get in touch with you a
little later on.**

Sincerely yours,

Daisy Rogers

**Secretary to
Miss Morgan**
