Dear Miss Monahan:

I think you have made a "swell" circular. If you will send me over a few dozen I shall see that they are distributed. I am doubtful about using the Pen & Brush list. We have always refused it I think. It would hardly be good taste for me as President to use it.

I am telephoning to the General Electric today about canvasing that organization. I am not sure that Mr. Young would allow it. He has rigid ideas about that sort of thing, but of course the publicity department might feel differently. I shall let you know.

And thank you for your good wishes for the book. You are surely doing your utmost for it and I appreciate your interest.

Very sincerely yours
