President Albert Britt  
Knox College  
Galesburg, Ill.

Dear President Britt:

I have your letter of October 31.

I am quite satisfied to go into the Women's Dormitory. It will give me a much better chance with the girls. I can talk with you when I arrive about the best arrangement of hours, and am sure that I can protect myself sufficiently to keep in condition.

I have taken my reservation for Friday, the 9th, leaving here by the Pennsylvania Broadway Limited at 2:55 and reaching Galesburg at 2:10 on Saturday via the Burlington.

I shall send by express a small trunk of books and papers, addressing them in your care. If there is a more definite address, will you not let me know?

I am glad that you are going to be there when I arrive for I shall need your help in adjusting myself.

Thanking you for your kindness and interest, believe me

Cordially yours
