[1906
probably]

Dear Bud

I've been worrying you a good deal
being with - you work too hard all
the time and I think we ought to
be ashamed of ourselves to let you
do so. - how take your time on

this fairy thing. This fine article
is enormously interesting & sweet
you've done a great job in making
such an unclear thing as clear as
you have. We'd really rather ~~stay~~
begin in Oct. with the anniversary
in Sept. for with Jane Alderson
Butler we're all right for Sept. &
will have neither in Oct.

After this fairy you've got
to take a loaf & stop working
every moment of the day

Balth is enthusiastic over his new
scheme - bringing George on to N.Y. -
White & Jap are too. If he can do it,
it will be a fine thing. We are
home today - & gone away in better
spirit than we saw him for a long
time.

Wish you - Lot to be thankful for -
the year will show a little profit - &
a first one on last year. Wish
done on 15 of thing etc. - & better than
all Jap. has gone through the whole
year in good shape (the first one
I ever remember of) & to go away
feeling happy & will come back fit
as a fiddle.

But there's no one like you - as far
as you're a better than any of us.
You know there's no one beside my family
that means anything to me in companionship
with you - there aren't even any seconds
when I think of you - but I ~~ought~~ to be sure
a futile friend. With all my love
[Albert A. Boyden]
