Head Qrs. 13th ohio Cav.
Petersburg, April 23d 1865

Dear Pet,

Yours of the 19th came today and I need not tell you it welcom (sic) as you know I am alwase (sic) anxious to hear from my sweet little pet. I am sorry I have not time to write you a good long letter, but as we are to move at 6 in the morning I can not spare much time from my other duties.

Where we are to go I cannot say, but should not be surprised if we were to turn up near Washington City. I cannot see where else we are to go that would require the number of rations we are ordered to take unless we join Sherman which is not likely. As soon as we stop I will write you a letter by which time I hope to be able to give you some information as to time I will probably get home. You must remember that I am as

anxious to get home as you are to have me. Give my love to all at home.
Your loving husband
