Dear Madam:

We wish to give your volumes
on Lincoln a special chance this year
through circularization. Can you let us
have for this purpose the names of
people who ought to be reminded of the
books? Any suggestions along this line will
be very much appreciated.

Sincerely yours,

P.S. -- You have probably seen the editorial
which appeared in last month's issue of
"The World's Work." We sent this furthermore
to the newspapers all over the country so

that there would be no further misunderstanding
with regard to your volume on the Standard
Oil.
