Miss Ida M. Tarbell,
120 E. 19th St.,
New York N. Y.

Dear Miss Tarbell:

I was delighted to get your wire that you would fill the engagement at Alabama College for Women, Montevallo, Ala. in connection with your trip to Birmingham this month.

I have written the committee there in Birmingham requesting them to move their date up to Monday, March 21st. If I fail to get this arrangement made then I will make an effort to get Mr. C. B. Richmond, the manager of the Artist Series at Montevallo to make a special exception in this case and arrange for you on March 21st and let the Birmingham date stand on the 22nd. I don't have much hopes, however, of being able to get the date at the college changed for they usually insist on having all of their attractions on Saturday evenings, so I think you had better plan your trip so as to be at Montevallo, Ala. on Saturday evening, March 19th.

Very sincerely yours,
