Miss Ida M. Tarbell,
New York City, New York.

Dear Miss Tarbell:

Your cordial letter of December 14th received. There is not any prospect of spring dates so far as I know at the moment. We will not, under any circumstances, make arrangements without consulting your wishes, should anything appear. I cannot tell you about another season but will put your circular with the rest and if we can find some interest will try to book some dates.

I found Miss Best an interesting woman. I expect to be up her way in the spring, driving through in my car. That is why I promised to see her.

Yours very truly,

THE EMERSON BUREAU
