Miss Ida M. Tarbell,

120 East 19th Street, New York City.

My dear Miss Tarbell:

Your letter of January 5th at hand and we have sent you under separate cover Publication 11 of the Illinois State Historical Library. On page 331 of this volume you will find a very fair article by Paul Selby on George Schneider and here-with I am enclosing some typewritten material to supplement this article. Should you find this inadequate we will send you more as we have a great deal on this subject. When you are through with Publication 11 will you be good enough to return it to us as it is an out of print number and is taken from our files?

On account of an injury I received last winter through being struck by a hit and run auto driver, I have found it necessary to resign my work in the Library and return to private life. I am sorry to have to take this action but my health is such that I do not feel that I can longer carry on.

With kindest regards,

Georgia L. Osborne
