Miss Ida M. Tarbell,
c/o Woman's Committee,
Council of National Defense,
1814 N. St. N.W.,
Washington, D. C.

Dear Miss Tarbell:-

Yours of May 24th is just to hand regarding your subjects for engagements at Greensboro, N. C. and Rock Hill, S. C. in July. I note from a little announcement of his summer school Prof. Jackson at Greensboro has announced you for two lectures - "The Inner Line of Defense" and "The Fear of Efficiency" He does not announce any subject for the conference addresses, and will probably want you to make about two of these during the three days you are there and you will simply speak to the teachers who are attending the summer school. These two regular lectures are given for the public as well as the school, and I presume he will let you select whatever subject you wish to discuss at the conferences.

At Rock Hill you are to speak on the closing day of the Federation of Woman's Clubs' Convention which will be in session during the summer school there at Winthrop College, and I am sure they will let you discuss any subject which you think most appropriate for an occasion of that kind.

It might be well for you to drop a line to Dr. D. B. Johnson, President Winthrop College, Rock Hill, S. C. and suggest your subject so he can have it announced in his bulletins.

I have good prospects for getting engagements yet for you at Chapel Hill, N. C. at the University and also at Knoxville, Tenn. at their summer school, and I am trying to put these in - July 15th to 18th. Will advise you as soon as anything definite is arranged.

With all good wishes

Sincerely yours,

S R Bridges

President.
