ADVERTISING DEPARTMENT

Miss Ida M. Tarbell,
120 E. 19th St.,
New York City.

Dear Miss Tarbell:

Thank you for letting me have Mr. Adams' address. I have written to him today and have no doubt but that he will send sketches to us.

If after looking over his sketches we do not think that this style is just what we are after, we shall most decidedly get in touch with you again and ask you for further suggestions.

Yours very truly,

Schuyler Van Ness
