

Rome the 6th Nov. 26

Dear Miss Carbell

Just now, the parcel that you were expecting has arrived. The Post-man says that the Parcel cannot be forwarded by them again only changing the address. I was obliged to get it ~~and~~ make it a parcel and re-register it again! That it will cost about 25 liras.

Now if you will be so kind to tell me what shall I do, to send it to this address, or what, because the young lady who was ⁱⁿcharged to get it for you, left Rome, Hoping to have you in Rome again for next year, I

remain yours truly
respectfull Mascetti Umberto
