

PRESIDENT CRAWFORD LEAVES FOR FRANCE

Answers Country's Call—To Be Engaged in Y. M. C. A. Work—Will Sail for France in Near Future

Dr. William H. Crawford, President of Allegheny College, leaves this evening for France to take up Y. M. C. A. work with the American Expeditionary Forces. Satisfactory arrangements have been completed with the Board of Trustees, and Dr. Crawford will probably remain in France until next May, when he will resume his position as president of the college.

Dr. Crawford's decision to go has been made only during the past week, due to a recent conference with John R. Mott in New York. The President had been speaking at Camp Sherman for a week among the drafted army, and when Mr. Mott put up to him the need for strong leaders in the Y. M. C. A. work with Pershing's force, he felt it his duty to go. To those who know his intense patriotism and the spirit of service which he has always manifested, it is no great surprise that he has so unselfishly answered this call to service.

Arthur W. Thompson, President of the Board of Trustees, and several of the members provided for the leave of absence, and Dr. Camden M. Coburn was appointed to serve as president during his absence.

In the last chapel service which Dr. Crawford attended Friday morning, almost his last act as president of the college was to present the football let-

the engine and greased the tracks so thoroughly that if I should go to bed tonight and not get up until Commencement things would move along anyhow. Besides, the Faculty is a band of brothers pledged to help each other and I am sure the student body will do its best not to embarrass the administration. Speaking for the Faculty, I want you to know that there will not be a waking hour during your absence when we shall not have your name in our hearts and prayers for your safety upon our lips."

The exercises ended with several ringing cheers for "Prex."

The students accompanied the President to the train in a body Friday evening.

The rousing farewell that was tendered to President Crawford on his departure for service in France, although it was typical of the spirit of Old Allegheny, deserves, nevertheless, a note of comment. Braving snow and extreme cold almost the entire student body turned out to see our President safely on the first lap of his long journey toward the goal where our American Forces are helping fight the battles for Democracy. It was a farewell that he will hold dear in his memory during all of the long days that he will be separated from Allegheny, the institution whose interests he has ably nurtured for nearly twenty-five years. His last words were: "Within a few weeks I will see the Allegheny boys in France, and I am going to tell them about this occasion." Let us now get behind our new President Coburn and show him that we are going to be with him in everything that he does for the advancement and betterment of Old Allegheny's interests.

ALPHA CHI SIGMA INITIATES.

Allegheny Chapter of Honorary Chemical Fraternity Takes Two Men.

Friday morning there appeared on the campus nine red carnations signifying the initiation into Alpha Chi Sigma of two men, R. F. Brownell, '19, and W. M. Clothier, '19, the evening before. Alpha Chi Sigma, the honorary professional fraternity composed of men from the field of chemistry, is a national organization of wide range and is represented in practically every college or university in the United States, where the department of chemistry is of high standing. Several years ago, Allegheny was highly honored by being granted a charter of Alpha Chi Sigma, Phi Chapter being formed from the nucleus of the local chemical society then active in the College. The coming of Alpha Chi Sigma to Allegheny was a most high tribute to the excellence of her chemistry department and much credit must be given to the man who labored to advance this branch of Allegheny's field of science to its present high standing. Since its entrance as Phi Chapter, Allegheny's division of Alpha Chi Sigma has ever been active and a glance over the names of the men of the fraternity who have left our laboratories to enter the active work of the commercial world will clearly show the fine calibre of those admitted to membership.

Membership to Alpha Chi Sigma is judged largely upon the standing of the man in question in the work of the Chemistry Department, limited to a certain extent by other factors such as standing in other branches of college work. The point most emphasized, however, is that the general work of the prospective members in the chemical field be of a high type. Thus the honorary factor, in connection with membership in Alpha Chi Sigma, is of no slight note, and an invitation to join this professional chemical fraternity through Phi Chapter is an ambition of most of the younger chemists of the College.

In addition to the value of the fraternity to the chemist during his college days, the fact that, in later life, he is brought into contact with hundreds of Brother chemists in every field of the science, is a point of inestimable importance. The men of Alpha Chi Sigma are scattered everywhere throughout the United States, and are represented in practically every industry, so that contact with them, as enabled through the fraternity, carries with it the gathering of much experience and probably aid in

He had not made the team. The ultimate moment—
Last practice for the big game, his Senior year—
Had come and gone again with dizzying swiftness.
It was all over now, and the sudden cheer,
That rose and swelled to greet the elect eleven
Sounded his bitter failure on his ear.
He had not made the team. He was graduating.
The last grim chance was gone and the last hope fled;
The final printed list tacked up in the quarters;
A girl in the bleachers turned away her head,
He knew that she was trying to keep from crying;
Under his tan there burned a painful red.
He had not made the team. The family waiting
His wire, up-State; the little old loyal town
That had looked to him year by year to make it famous,
And lauded him each time home with fresh renown;
The men from the house there, tense, breathlessly watching,
And after all, once more, he'd thrown them down.
He had not made the team, after years of striving;
After all he had paid to try and held it cheap—
The sweat and blood and strain and iron endurance—
And the harassed nights, too aching tired to sleep;
The limp that perhaps he might be cured of some day;
The ugly scar that he would always keep.
He had not made the team. He watched from the side-lines,
Two days later, part of a sad patrol,
Battered and bruised in his crouched blanketed body,
Sick and sore to his depths and aloof in dole,
Until he saw the enemy's swift advancing
Sweeping his team-mates backward.
Then from his soul
Was cleansed the sense of self and the sting of failure,
And he was one of a pulsing, straining whole
Bracing to stem the tide of the on-fung bodies,
Helping to halt that steady, relentless roll;
Then he was part of a fighting, frenzied unit
Forcing them back and back and back from the goal.
There on the side-lines came the thought like a whip-crack
As his team rallied and rose and took control.
"He had not made the team, but for four long seasons
Each of ten grinding weeks, he had given the flower,
The essence and strength of body, brain and spirit,
He and his kind—the second team—till the power
To cope with opposition and to surmount it
Into the team was driven against this hour!"
What did it matter who held on to the leather?
He or another? What was a four year's dream?
Out of his heart the shame and rancor lifted,

Football Letters Distributed

PRES. CRAWFORD AWARDS LETTERS TO MEMBERS OF FOOTBALL TEAM.

Last Friday morning in Chapel almost the last official act of President Crawford was to distribute to the members of the victorious football team their letters. Dr. Crawford spoke of the place of the second team in making a successful team, and said he thought their part in the victories of the season was almost as great as that of the first team men. In this connection he read the following poem by Ruth Comfort Mitchell:

DEBATE PREPARATIONS ARE WELL UNDER WAY

Large Number of Candidates Out—Class Teams Chosen Dates Fixed for Inter-class Debates

With several of last year's varsity debaters back, and a list of twenty-seven men signed up to go out for this year's team, preparations for the annual triangular debate with Wooster and Ohio University are well under way. The question as arranged some time ago with the other two colleges is: Resolved, That after the present war the United States should take steps to secure the adoption of the program of the League to Enforce Peace.

The direction of the varsity debate this year will be given to a committee composed of three members of the Faculty and the three officers of the Oratorical Association. The Faculty men appointed were Dr. Darling, Dr. Schultz and Dr. Leake. Of these, Dr. Darling has been active in promoting debate here before, while both Dr. Schultz and Dr. Leake are especially qualified to take part, and are enthusiastic over the prospects for a first-class team.

The twenty-seven who will try out for the team the week following the Holidays, together with their division into teams and the time set for their try-outs are as follows:

Thursday, 4:00 P. M.

Negative—Wissinger, '18; Hollingshead, '18; E. Booth, '20; Carney, '21; L. Hoover, '20.

Affirmative—R. E. McCreary, '18; F. Morrow, '19; P. Colley, '21; Kirkpatrick, '19.

Friday, 4:00 P. M.

Negative—C. Jones, '19; McCluer, '21; J. Bird, '21.

Affirmative—G. Benson, '20; D. B. Brown, '20; H. E. Speer, '21.

Saturday, 2:00 P. M.

Negative—J. Castle, '18; W. Gordon, '20; G. Meredith, '20.

Affirmative—F. M. Parrish, '20; C. Mornewick, '21; J. Humes, '20.

Saturday, 3:30 P. M.

Negative—C. W. Skinner, '20; C. McClelland, '20; A. Glassman, '21.

Affirmative—G. R. Barr, '19; J. O. Russell, '21; F. H. Mull, '21.

Seven minutes will be allowed for each speech, with three minutes for rebuttal.

In these lists the first man listed is assumed to be temporary captain of his team, and must take the initiative in getting his men together, dividing the subject, etc. These temporary teams must get together at once, as it is assumed that all debates will be prepared by the first of January. The judges will be the Faculty Debate Committee, composed of Dr. Darling, Dr. Leake and Dr. Schultz, and the debate will be judged upon four rather general points: delivery, content of debate, handling of material, and rebuttal; but not upon comparison with others in the particular group to which any man is assigned.

For the benefit of those who are going into the try-outs, Dr. Leake has prepared a more or less exhaustive bibliography on the subject which will be found posted in the Library. Space forbids publishing it in the "Campus," but it should be consulted, and at least a part of it copied before leaving for the Holidays.

ORATORICAL AND DEBATE BOARD IS APPOINTED BY SENATE.

Field of Oratory and Debate Organized Under Faculty and Student Board.

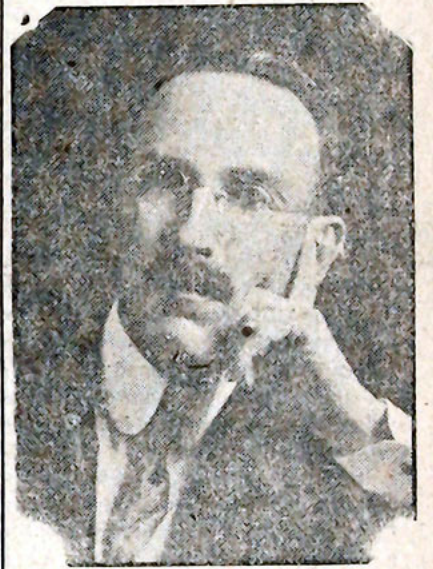

Word is anxiously being awaited in debating circles of further action toward the actual beginning of the debate work of the College centering around the choosing of the 'varsity team to represent Allegheny in the Triangle Inter-Collegiate Meet in March. Following the return of Dr. Darling, the representative of the College at the meeting of delegates of the institutions represented in the Triangle contest, the Student Senate immediately took action toward establishing a system to control debating activities this year. It was decided to establish Oratory and Debate upon the same basis as Athletics, that is, to place the supervision of the Oratorical and Debating activities under the supervision of an Oratory and Debate Board to be composed of three Faculty members and four student members. The following were appointed to compose the present Board: Faculty—Dr. J. R. Schultz, Chairman; Dr. J. M. Leake, Dr. C. A. Darling; Student

members—R. E. McCreary, '18; G. A. Stetson, '19; E. P. Booth, '20, and one yet to be appointed.

The Board, as chosen, states that it expects the co-operation of everyone in an effort to make this a most successful year in the field of debate, and that it expects to request the aid of others of the Faculty in clearing away the problems which now confront it. Action toward the settling of these questions of the nature of preliminaries, method of choosing the varsity team, and points to be considered in the competition as well as other matters are now under consideration and the points decided upon will be made public in the near future.

It was announced unofficially that the probable method of choosing the men for the varsity team will be the same as adopted last year. A number of preliminary debates are held, under this system, and a careful record of the performance of each contestant obtained in these contests by the judges, opportunity being given for each man trying out to participate in one of the preliminary trials. Then by the process of elimination a certain number of the best are chosen to participate in a final tryout in which the men of the two varsity teams are

DR. CAMDEN M. COBERN

Acting President.

chosen by the judges from the cream of the debating material of the College.

It is very probable that the set of preliminary tryouts will be held before the Christmas vacation and that the Freshman-Sophomore Debate will be included as one of the preliminaries. This means that some very concentrated work must be done by contestants in the very near future in order to prepare for the preliminaries. The final contest at which the varsity men are chosen will probably be held immediately after the Holidays. This immediate determining of the debating material in College this year is made necessary by the fact that time must be given the varsity to prepare for the Triangle contest after the choosing of the teams, and the time is already very short. It is advised that prospective debaters commence work at once upon their material for the varsity subject, which will be the one used in the preliminaries and finals.

The Faculty Debate Committee has arranged for the annual Freshman-Sophomore debate to take place in Chapel Wednesday night, December 19th. As before, the varsity question will be used: Resolved, that after the present war the United States should take steps to secure the adoption of the platform of the League to Enforce Peace.

Freshman and Sophomore teams have both been chosen from the members of the respective classes, and preparations are well under way. The debate should be interesting, and will certainly be keenly contested. It should have the support of the classes represented. The Sophomore team will consist of F. M. Parrish, C. L. Jones and G. Benson, with K. McClelland as alternate, while on the Freshman outfit will be found F. McCluer, P. Colley and Carney, with J. Russell as alternate.

A large blue and gold banner is offered by the Oratorical Association as a prize, this year for the first time. The class winning the debate will have its numerals inscribed on the banner, and will keep it until another class wins it from them, or until they become Juniors.

MEN'S SENATE ASSEMBLY.

The regular Chapel period Thursday morning was given over to the supervision of the Men's Student Senate, who, with several important matters to present to the men of the College, desired an occasion to meet with the men in a body. H. L. Wissinger, President of the Student Senate, was the Chairman of the meeting, and in his introductory remarks stated that the Senate desired definite action upon the matters to be introduced by the various members of the Senate later in the meeting. He first called upon J. G. Castle, '18.

Mr. Castle spoke concerning the action taken by the city authorities with regard to the false fire alarm which was turned in from the College box the night of the Akron game celebration, and which was blamed upon College men. The seriousness of the consequences resulting from false alarms was discussed, emphasizing the danger to which human lives and property are subjected on each occasion of such nature. A resolution to the effect that the Student Senate as a body regrets the fact that a false alarm was turned in, and will take all action to prevent the recurrence of such an incident again, was passed by the assembled Senate.

R. E. McCreary, '18, was the next representative of the Senate to speak. He read a letter from the officials of the Bessemer and Lake Erie Railroad Co. stating that they would take all action in the future to prevent the recurrence of the freight trips to Pittsburgh which have become regular incidents of each Tech and Pitt game. It further stated that action was being started toward prosecution of eight Allegheny men who made the trip this year via the "ore route." A resolution to the effect that Alleghenians in the future shall discourage and not participate in freight riding to football games was passed.

DUZER DU WILL GIVE ANNUAL PLAY.

At a brief meeting of Duzer Du December eleventh it was definitely decided to make every effort to hold the annual play this year. Plenty of material is at present in the College to put out a first class production. Two or three who have made previous casts are available, together with a larger amount of promising material that tried and failed in former years. The Public Speaking classes are full this year, and should furnish still more material, while the Freshman class can be depended upon for its full share.

The play has not yet been definitely decided upon, although the play at present in favor is "Spreading the News," a delightful little Irish comedy. There is also a possibility that the play which never appeared last year may be put on, namely, "The Honeymoon."

Besides Dean Spalding, who has always supported and coached the dramatic attempts of Allegheny, Duzer Du has found an enthusiastic supporter in the Faculty in the person of Dr. Schultz, who comes to us with some previous experience in the coaching of amateur productions.

Y. W. AND Y. M. C. A. HAVE CHARGE OF CHAPEL SERVICES.

On Wednesday morning Miss Fogo and Mr. Hollingshead, the respective heads of the Y. W. and Y. M. C. A., had charge of the service. The object of the meeting was to emphasize the importance of the Y. M. C. A. work in Europe. Mr. Hollingshead read a letter from the secretary at New York urging the importance of paying up promptly the subscriptions to the Y. M. C. A. Fund as there is an urgent need for all of this money.

Y. M. C. A.

At the regular weekly meeting of the Y. M. C. A. in Cochran Hall Wednesday night, the attendance fell off so alarmingly that Dr. Coburn, who was the principal speaker for the evening, talked largely of ways and means of getting the men of the College where they belong on Wednesday evenings, at the Y. M. C. A. meeting. It is certainly an activity deserving of support, when a measure of support can be given to it by spending less than an hour a week.

Dr. Coburn spoke for a short time on "Essentials and Inessentials of the Christian Life," and showed that there are many things that are really necessary to a true Christian life are seldom put into actual practice in everyday life.

Y. W. C. A.

The Christmas meeting of the Y. W. C. A. was held Sunday evening with Miss Rowley, '05, as leader. After a piano solo by Miss Wilhelmina Traum, '21, Miss Rowley talked of the Christmas spirit of "1917," bringing to the girls the message of "service to others" and peace on earth, good will to men. Miss Helen Abrams, '19, gave a vocal solo and the meeting closed with a duet, "Silent Night," sung by the Misses Ella Allgood, '20, and Elizabeth Fehr, '21.

solving difficult problems in some cases.

Phi Chapter, with the two recently initiated brothers, now consists of nine men: Two Seniors, three Juniors, two Graduate Assistants, C. A. Gilbert, who is doing special laboratory work, and Dr. R. E. Lee, Director of the Department of Chemistry. The Chapter has felt the effect of the war even more seriously than have other local organizations of a corresponding nature, and at the beginning of the present year, but five active members assembled to take up the work of the organization. Though small in numbers, the Chapter faces this unusual year with a spirit that will mean even more improvement to be noted at the close of the present year.

There burst from his throat a hoarse, exultant scream. Not in the fight, but part of it, he was winning! This was his victory; he had made the team!

After rehearsing the record of the team, Dr. Crawford presented each man on the team with his gold "Block A," and Cheer Leader Graham led the student body in a rousing cheer fest. READ THE ADVERTISEMENTS.

The Campus calls the attention of the student body to the necessity of patronizing the business men who advertise in these columns. The Meadville business men are spending good money to help make the Campus a success, and naturally they look for some returns on their investments.

Undoubtedly the business houses who are not running ads this year have what they consider good reasons for not doing so. But the fact remains that they are not advertising, and so are not pulling for the college. If the students will spend their money where it is wanted, the houses that are not now advertising will realize that they will have to run ads regularly to get the college trade that they most desire.

The debate of the afternoon on the subject: Resolved, That after the present war the United States should take steps to secure the adoption of the platform of the League to Enforce Peace, was interesting and snappy. Castle, '18, and McCreary, '18, defeated Benson, '20, and Parrish, '20, by one vote.

The debate for next week will again be on the varsity subject. C. Jones, '19, and J. Bird, '21, will uphold the affirmative against H. Wissinger, '18, and J. Russell, '21.

MASS MEETING OF WOMEN OF COLLEGE.

The young women of the College held a mass meeting in Wilcox Hall during the Chapel service Thursday. The following resolution was passed: "Whereas: The Trustees and Faculty of Allegheny College have provided splendid lecture courses for the student body; and,

"Whereas: It has become the patriotic duty of every student to make the most of all educational opportunities,

"Be it Resolved: That we, the women of Allegheny College, shall endeavor to attend each and every lecture of these courses."

Also, to help meet the threatening sugar famine the following pledge was drawn up and signed by most of the girls:

"Desiring to make some contribution in relieving the present sugar scarcity, we, the undersigned women of Allegheny College, voluntarily agree to give up buying candy for the remainder of this College year."

Miss Anne McConnell, '18, Secretary of the Red Cross Committee, gave a report and outlined the work contemplated.

KLEE-O-KLEET.

Klee-O-Kleet held a meeting at the home of Mrs. Helen Warner De Cou-dres, '17, Thursday evening. After a short business session, various stunts were given which were particularly clever. The hostess had planned several guessing games, which were engaged in during the remainder of the evening with much merriment. Delightful refreshments completed a most enjoyable evening.

QUILL CLUB.

Wednesday afternoon, at 1:30, the Quill Club and a number of guests met in the club rooms and enjoyed a short program given by Vachel Lindsay. Mr. Lindsay read Alexander's Feast, Dryden; Endymion, Keats; and from his own poems, The Chinese Nightingale and The Dirge of a Righteous Kitten. The program furnished the opportunity of becoming better acquainted with Mr. Lindsay and his works as well as with his ability as an interpreter.

LE PETIT SALON.

Le Petit Salon met in the Hulings Hall parlors Monday afternoon, December 3. After the roll call, to which each member responded with a French proverb, and a short business session, the Misses Adelaide Singley, '18, and Anne McConnell, '18, were in charge of the program, which consisted of several games played in French. The Misses Pearl Moncreau, '18, and Irene Wood, '18, the hostesses, then served refreshments.

Colgate University has been placed on the footing of an Officers Training School and in April the members of the Student Battalion who desire to, may take an examination for a commission in the United States Army on an equal basis with the men who have gone to a regular Training Camp. There has been a wounded officer who has seen service in France assigned to the College and four and five hours a day are spent in drill.

TECH OPENS RADIO COURSE.

Tech, having been selected as the school best equipped to train wireless operators, Prof. Calderwood, of the School of Applied Industries, has begun to deliver lectures in the new "Radio" Course to a class of 100 men. The purpose of the course is to train men liable to call in the second draft as "radio" operators.

It is planned to give 200 hours of lecture and demonstration in the science. Two hundred applicants are waiting and plans are under way for the rapid formation of new classes. Only single men with no dependents who can pass the regular Government physical examination are admitted to the course.

COLLEGE BOWLING LEAGUE.

Last Thursday evening the annual College Bowling League started off with a whirl. The Chi Rhos and the Phi Psis played off their match which was to have been played Wednesday evening at the Cochran Hall alleys, and the Phi Gams met the Deltas in their first match. Neither match was marked with any remarkable bowling, but the league promises to exhibit some keen rivalry. The Phi Psis defeated the Chi Rhos in three straight games, and the Phi Gams took two out of three from the Deltas. This places the first standing of the league as follows:

	W	L	Pct.
Phi Psis	3	0	1.000
Phi Gams	2	1	.667
Deltas	1	2	.333
Chi Rhos	0	3	.000

Phi Deltas	0	0	.000

THOBURN CLUB.

At the regular meeting of the Thoburn Club in the library last Thursday evening, the principle speaker was the Rev. Ora C. Miner, who is one of the strongest exponents of the country church.

He spoke on the community church, as opposed to the larger city churches, and showed that while money and fame are only to be won in the large

pulpits, in many ways the biggest opportunity for service, and the finest religious spirit is to be found in the small country church. Rev. Miner is well qualified to speak on the subject, as he himself, although a speaker of no mean ability, and although he has been offered fat salaries to accept larger churches, has stuck by his country charge. He is at present pastor of the Cooperstown church.

Robert L. Moore, '17, has recovered from an attack of typhoid fever, on account of which he was confined at St. Margaret's Hospital in Pittsburgh, for several weeks, and is back in Meadville.

Pennsylvania Beta Chapter sincerely regrets the departure of President William H. Crawford, Illinois Alpha Chapter, '84, for his new field of Young Men's Christian Association work in France. But his call has come and we feel that it is the general consensus of opinion that no one is better fitted to conduct such work than Allegheny's President. What a recital of experiences we shall expect to hear on his return from the "Front!"

Intense interest is being displayed around the Phi Psi House in the College Bowling League. The Phi Psis are out for the Loving Cup and they warn the other teams in the league to that effect. Although they won the first three games played, their showing was not quite as creditable as it was intended to be, but better scores are promised in the succeeding matches.

Our Sunday dinner guest was "Johnny" Wirt, of Meadville.

PHI GAMMA DELTA.

"Chuck" Dotterer, '15, attended the Camp Lee game at Greenville, where he saw his brother, Lester, play for the 305th Am. Train team.

Ralph Graham was accepted for the United States Aviation Corps in Pittsburgh last week. "Pest" expects his call within the next six weeks.

A number of the Phi Gams entertained the Misses Adelaide Singley, Sue Jenkins, Helen Miller, Marguerite Blass, Sereta Fielder and Margaret Cleveland at the House December fifth. Dr. and Mrs. Schultz were the chaperons.

Sunday dinner guests included the Misses Ruth Fithian, Meredyth Neal, Dorothy Pease, and Dr. and Mrs. Akers, and the Misses Louise Deans, Isabel Freer.

D. B. Megahan, ex-'18, recently received his call to report at the Princeton School of Military Aeronautics December fifteenth, and visited the House for two days before leaving.

J. A. M. Stewart, '12, left for his home in Beaver, Pa., last Tuesday, after a two weeks' stay.

DELTA TAU DELTA.

The Sunday dinner guests at the House were Dr. and Mrs. Leake, the Misses Roubush, Munroe, Raymond, Mumaw and O'Neil.

H. C. Dickey, stationed at Camp Hancock, Ga., has been promoted to Second Lieutenant.

M. H. Ellis, '17, who has been in training at Fort Leavenworth, is now a Second Lieutenant of Troop L, 12th Cavalry and is stationed at Hachito, New Mexico.

PHI DELTA THETA.

Joe Hutchison, '15, visited the House Wednesday. "Hutch" is on his way to France; he is a Second Lieutenant in Field Artillery, and has orders to embark within the next few days from some port near New York City. It is highly probable that President Crawford may sail on the same vessel. "Hutch" before leaving banqueted the active members and the new Phi Ketas.

The Chapter was entertained Thursday evening at the home of Dr. Elliot, '89. A most enjoyable evening was spent by all.

An informal dinner party was held Saturday evening in the Chapter House. Covers were laid for twenty-seven couples. Dr. and Mrs. Elliot, Prof. and Mrs. Ross and Dr. and Mrs. Swartley acted as chaperons.

Verne Reed has fully recovered from his recent illness.

"Gus" Engstrom was sufficiently well recovered to attend the party Saturday night. He had been in the hospital for over a week.

Clyde J. Smith, ex-'19, is in the service. He enlisted in the Telegraph Battalion and is located at Jersey City, New Jersey. "Smitty" was one of the heavy contributors to the columns of The Campus.

"Gus" Engstrom will represent the Pennsylvania Delta of Phi Delta Theta at the National Convention which will hold a three-day session at Indianapolis beginning December 31.

William Krall, '16, of Penna Theta, Penn State College, was here for a short time Thursday in the interest of the Y. M. C. A. Prison Relief Fund. He expects to leave for France in the near future.

A "get together" was held Monday night at which all the Freshmen were present.

Sunday dinner guests included the Misses Lucile and Dorothy Richard, Mrs. N. W. Kerr and Miss Dorothea Kerr, Miss Juliet Bianchi, of Ambridge, and Miss Jean Scott, of Monongahela City, Pa.

SIGMA ALPHA EPSILON.

William J. Robinson was recently promoted to a Second Lieutenantcy at Fort Hancock, Atlanta, Georgia.

Jas. E. Isherwood is now Sergeant Isherwood.

Harold S. Lewis, ex-'20, is stationed at Fort Slocum, New York.

Mr. Croell, head of this Y. M. C. A. district, took dinner with the boys on last Thursday.

E. J. Ling, '16, has been playing football on his company team at Camp Wadsworth. He has reported no injury save a broken nose.

W. M. Clothier, '19, was initiated into Alpha Chi Sigma Fraternity last week.

Fred. B. Trace, ex-'13, has left for San Antonio, Texas, in the aviation service.

ALPHA CHI RHO.

Albert B. Pappenhagen, '17, is spending a two-weeks Christmas vacation at his home on Glenwood Avenue. "Al" is an instructor in Chemistry and Bacteriology at Massachusetts University in Boston, and is taking a pre-medical course in connection with his other work.

Homer M. Bail, '16, joined "Kimo" Runninger, '16, in New York City this week and the two are now enlisted members of the U. S. Engineering Unit being formed for duty in France.

Sankey L. Sheets, '16, is attending Boston University School of Theology, doing his second year's work toward a Doctor's Degree.

Kersey M. Woodard, ex-'18, stopped at the House several hours one day last week on his way to his home at Linesville. Kersey had but a very short leave of absence and was obliged to return to Camp Lee without again visiting us.

DR. ELLIOT HAS OPEN HOUSE.

On Thursday evening Dr. Elliot held open house for the members of the Phi Delta Theta and Delta Tau Delta fraternities. Light refreshments were served and the men left very much impressed with Dr. Elliot's hospitality and his fine new house.
