Miss Ida M. Tarbell,
120 E. 19th St.,
New York City.

Dear Miss Tarbell:

I have been wanting to write you for sometime to tell you how pleased I am that you are presiding at the Youth Conference on Monday night.

We have been very fortunate in handling our juvenile delinquency situation but the older boys are a real problem that requires tactful leadership and facilities that are more attractive than the saloon gang or streets. If they had jobs many problems would be solved. I have seen good boys go to pieces when they lost their jobs and then come back again when they go to work.

I spent a couple of days with Bill Stiger in Boston last week. He is doing a fine job in the Morgan Memorial.

I do hope you will find it possible to give us some evening at the Club here this winter.

Sincerely yours,

Albert B. Hines
