

October 31, 1932

My dear Mr. Marshall:

Thank you for your letter of October 27th which has just reached me. I have been out of town for some little time.

The information which you give me on the payroll of May 1932 is exactly what I want for contrast.

You ask whether Westinghouse will have a chance to see what I write. Yes, I want the article examined for facts by your people.

I shall write you a little later when I have had time to sift the material which you were so generous in giving me about the line that the present article will take.

With genuine appreciation of your co-operation in the work that I have undertaken, believe me dear Mr. Marshall

Very truly yours

Mr. W. H. Marshall
