Naples 11 December 1926

My dear Miss Tarbell.

I write to you a very short letter only in order to express to you my wishes for a merry Christmas and a happy new year. Another time I will give to you account of my matter, both exterior and interior but this time I found only in need to send to you the very simple word of my friendship and gratitude.

may next year bring, miss Tarbell the accomplishments of all our best wishes and ideals not for our personal sake but for the sake of God's kingdom.

A message from my heart to-day
"I speed upon its blithesome way".

With many thanks and greetings

Yours truly and faithfully

Mauchiora
