Dear Miss Tarbell,

Keith joins
me in heartiest good wishes
on your Birthday tomorrow.

as for me, one of the
happiest and most fortunate
things in my life, has
been the privilege of knowing
you. Years have nothing
to do, with the great spirit
that is yours.

thing as "servantitude", (and
we know full well there is,

living as you have, in
the world. you have
blessed and enriched it
by your presence.

With this goes my love,
