Dear Miss Tarbell:-

You will be pleased to know that at last I have had a bit of luck with those articles you looked over and liked.

The United States Naval Institute, a very excellent service magazine, will publish "LET THE CAISSONS ROLL" in the October number.

Short Shorts Publishing Company have accepted tentatively "THE LIFE SAVER" (with the name changed to "POSITIVE EVIDENCE",) and

Scribner's has accepted "MILITARY MEDICINE MEN" for their Straws in the Wind Department.

I regret that so far I have not been able to get an editor to publish either of my articles advocating low tariffs but I had a good nibble from the Mercury and I am rewriting "HORSE SENSE" hoping I can get it into Mercury, Scribner's or the Forum.

Do you by any chance know Dashiell of Scribner's? If so I believe a note from you asking him to give special consideration to "HORSE SENSE" might do the trick.

Thanking you for your kind interest, I am

Yours truly,

Alva Lee

ALVA LEE.
