Dear Mr. Updegraff:

Thank you for that pleasant note that you wrote me a fortnight ago about "All in the Day's Work." I like what you say about it and I am glad it brings a desire to be friendly.

I was out at the Fair Monday. The place was incredibly beautiful - my first visit since it opened. I never dreamed from what I saw the day the Capsule was dropped that it would come out as lovely as it seems to me to be.

I didn't have an opportunity to visit the Capsule burying ground, but I am going to do it the first chance I have. That ceremony was the most exciting moment that I have heard of so far in connection with the Fair.

With all good wishes and many thanks for your letter, believe me

Very sincerely yours
