My dear Mr. Dda:-

It was very
sweet of you to send
me Judge John Chas.
letter - & to know some
one had little love
of kindness for my
dear father, that tried
to help every one &
make the world a
better place to live.

Mr. May (Mill's
father) not living
now. Told father at
the time, that John
wrote the article -

2
The Mary's room
Friends of Fathia -

The Mary Jaudy &
John Clarke own the
Vindicator; most of the
stock - & they have
bought the "Telegraph"
Republican Paper also.

The foliage is
beautiful - orange, yellow
brown - very little red
so far - I do enjoy
sitting at my window
& in the sitting room
or looking -

In August Helen & Sarah Brown
 down - Mr. had Coraly drive -

Sarah's daughter is engaged,
 he is 9 years older than Grace Anna
 Sutt of Still Co. at Jauenville has been
 there 8 yrs. his home Pittsburg, or
 that is where his Mother lived -

They are to be married in January.
 Sarah's husband & likes him. 20 I know

he is alright.

I am glad, she
has had lots of friends,
would get so tired
of them - the right one
has just come -

I think of you,
& I wish you could
come to see me; but
I know how busy you
are - Every room taken
here, although many ^{men} have
been taken - each time
some one waiting to come
many women, that have
considerable money - afraid
to ~~to~~ live alone or with
this kind of help they can get.

Cloud Walker
I wish you were here
Thanking you for your letter
