Dear Mr. McMurtry:

Thank you for this copy of your pamphlet, "The Lincolns in Elizabethtown, Kentucky." It is an excellent thing to have done. I am so tired of hearing the place described as a mud hole - and nothing more! If I ever go to Elizabethtown it shall go in my pocket and if ever I write again of Elizabethtown I shall pay my respects to you.

With all good wishes

Very sincerely yours

Mr. R. Gerald McMurtry
