REV. H. E. WING

Work Rebbling Ch. June 24 / 25.

Dear Ida,

There are wonderful days. I wish you could have been up here in the country for the last "week-end".

I hope, now, that some such refreshing weather may come along, when you do come.

I must confess to having my own somewhat diaphonic, or shall I say, gadding out my little book. But such is the penalty for dealing with such an exceedingly busy person.

We were glad to learn that we may expect a call from you. Perhaps soon now. Letting that may find you in good health as I am

Very sincerely yours

H. E. Wing
