

New York, January 21, 1920.

My dear Miss Rider:

I am glad ~~to~~thank my "He Knew Lincoln" would do for a Braille volume. I am enclosing check for \$35, which as I understand from your letter will be the cost of embossing the plates. Of course if it comes to a little more, that is all right.

I wonder if I could have a copy when it is done.

Very sincerely yours,

Miss Gertrude T. Rider,
