

Geo Ethel - Instinct -

Not - natural - When it is surrounded
 - attitude towards death - suppressed -
 - emotion - instinct - Child it has
 yearning of it - and - all day
 for it - ~~But~~ later because of
 helplessness - and - grows - modern
 idea to continue to be paid - no
 sense of responsibility - paid - own
 care - for care of others - later
 avoided - Child must not be
 asked to share or feel the burden
 of labor - suffering - on world -
 Result - is unappreciated sense
 of service - instinct for helping pain
 of others -

Not - one who believes in
 sparing child a knowledge of
 that kind of need it has

in - return it - of ^{sure} responsibility - for
~~the own support~~ - slavery, help
 Education of Little Mexico
 " of Child Labor -
 Hard - cruel - often - but do
 not - interfere with Education
 in it - Trouble is that child
 is weeped down out of pure
 physical child life - ~~the~~ but
 it ^{first} Europe that showed a
 developed in every human
 being - a sense of responsibility
 but child life -
 2. Lured by helplessness
 work of woman - must be sketched
 position in regard to child
 So well - until child Beryl Linn

Scene - late lived of him
 Coldest in young
 Communion - regarded as you
 are for all spirit of purpose
 Have a great conflict in
 this nation -

Consider what you are - the
 little of which a nation are
 made - nation strong with
 army - criminal according
 to rights -

Much more valuable than
 any other political machine -
 unless you can make
 is making the will to
 make you live sound

but you read crime from drinking
up the
war-drunkness - want
excess in - early having

industry - arouse enthusiasm
 something that - a full realization
 the belief that nature is a great
 young thing just as we are
 certainly one of the best
 is ~~arousing~~ having young
 child - never to give up
 what we call social sense
 what is S.S. - something
 more than our old change -
 " " " " philosophy
 it is a recognition of the fact -
 that we are all one
 happy all so much together
 ourselves than our own
 merit - that the individual

made to feed a habit
 of it - and furnish it -
 in having it material -
 as one of the necessities
 of a free demand -
 equalled - from the
 new idea - S. S.

more things the civil circum-
stances ^{Cause} ^{a effect}
Society after all - yet been
able to pull-out - than
these other nations. If you
know nothing but epilepsia
do

Old. Quaint - phylacteries
recognized little or not
of morality - inside nurse
now are muscadine - it gave
the gift - with a sense of
superior while - a sense of
blame went with charity -
today we are a little more
wof to use a underhand
we see steel the death - of
Manhattan are piled with

7

men & women who are victims
of a badly managed industrial
system for the time. We have
their part - those who were
running the machine - speeded
beyond power to control -
failed to foresee signs of failure
failed to be ready for it.
Take these ^{signs} plain
~~obvious~~ signs - Adjusted
turned on to ~~the~~ Col. Wood -
But you know it is a
^{sign} ~~state~~ which - So necessary
things now - Begin with
Fed. govt - state - etc. down

to you - paint - the kitchen -
 paper the spare bed - room -
~~best~~ improve them with the
 the pot & fire & some stone
 Bell - they are in great - getting
 at it - I used the energy of
 8 yrs ago - improve the 6 -
 be ready - If a bridge was
 to be left denturals -
 money set - aside - plan
 made but bridge held for
 all time - That was
 what Mr. H. Brown's
 Council planned & asked
 coming to do 2 approved -

9
committee - to do it - see if they
can't - on 1.

Also approved committee
to ~~the~~ debate - business
cycle - depression -
tempo changes -

But having made a plan
2 demonstrated need - stop
2 time when depression is in
the place where it - has
demonstrated - place still
on paper - no money laid out
no help planned - Have to
begin at bottom 2 don't begin
until market after the

calanthopee - now nothing to
 do but feed the hungry
 now s. service to be made
 more than feeding the hungry
 it involves preventing " " "
 if possible - preventing unemployment -
 prevent sickness - crime -
 getting at roots - @acks,
 It involves taking the individuals
 the family much has been on
 taking by crime sickness
 unemployment & correcting
 the evil & building them up
 & putting them on feet -
 that is what is doing in
 our great ~~society~~ modern

11

clearly against them - Every
 the individual sufferer from
 Socially: maladjustment
 and their mental position
~~the~~ in our communities - no
 family which is a ^{major} ~~possible~~
 criminal a perverted seed -
 must be ~~allowed~~ to go
~~was~~ passed by - Despicable -
 slow poisoning - some of them -
 but - patience, courage - a sense
 of responsibility - for the condi-
 tion - a sense of the danger to
 future in allowing such persons
 to multiply - trying to go on
 in any corner of your community.

seemed ¹² you a - The fundamental
social work -

And if you are going to
have embedded in your
community this attitude of
mind towards all forms
of misery - whether physical
material & spiritual - you
must grow it -

* Begin with child - Take
him in to the work - arouse
a sense of the vastness of
days of poverty - Much he
by chance of birth ~~as~~ escaped
of - must first side of side
with him - His good fortune

should accuse him to his
sense of responsibility. to
aid - Providence only the
attorney's motto - apparently
good future boys should
be Democratic motto -

The child who is born to
into a complete ~~living~~ home -
educated - harmed by
him - should by that - that
be made to feel his duty -
time - should grow up with
it - will if it - is the child
to live alone
Shaving is a thing to be taught.
I know of one child family.

14
 of great waste in whole
 the responsibility of slavery
 has been kept from Cleveland
 Lessons in going - it is the
 responsibility - the public in
 the world's ~~cost~~ coal
 keeping a pen in bank
 a steady natural part of
 budget -

If you are a man compelled -
 social service ~~to~~ in our
 community - the child
 must have their money

1. ~~His only~~ obligation - inside money

2. Sleazy - not money close
time - Temp -

3. Inland - then built - up.
until you have a city
now before an insubstantial or
be 2 and himself may be
tup.

Serial Service build for the
fulfill - the temporary relief
is that - 2 working for more
the necessity - 4 meeting
have satisfaction like the
present needs no demand.
I go to it - with all our
until - really -
But it is all true

I really - minded Mr Will
 do 2 things in particular
 1 Mr will study the causes
 the whole of all in-paleople
 dispassionately - without forming
 planning anything - 2 try in
 our knowledge of our comm-
 unit to arouse a build up
 a sentiment against - ~~the~~ ^{an}
~~particular~~ ^{one of the} cause
 which we can control - like
 a sentiment against - Speedism
 Sweep communism like a fire
 in my youth - I drink
 out exchange - teacher - school
 closed - for me 100,00 -

12

My father was a gentle &
 impressive soul - with a profound
 sense of self-respect - none for
 worth a dollar he did not
 feel he had earned.

His upright independence of
 my request - the lesson he
 made me - turned me - has
 stayed by me - never has
 been tempted - has a
 profound contempt for the whole
 gambling business. But I - my
 father never did it.
 That I mean by drawing
 lessons - from experience

18

explaining them to children -
 Let him try to understand
 why people walk the street
 (2) Let him in relief - say &
 thing to do - should not
 have him - Oh - let him
 know something of the world
 he is in - surprised when
 he discovers & so surprised -
 joy in helping - if really -
 interested in it.

(3) Preparation for future de-
 pression - ~~Child~~ can be
 taught to understand - Business cycle
 a fact - admit it - to prepare
 like being surprised all
 along time over and over

19

The plan of Reserve Relief -
But have it used -
mail - or I can use it
