Dear Mr. Leach;

Pardon the delay in
replying to your letter of June 17th.
I have been out of town.

Now as to your invitation
to make a brief comment on Judith
Lambert's interesting "I Quit My Job"
for a publication if your space permits.
I can hardly do this. I have something
of this sort on hand myself and am
arranging to discuss the subject.

Thank you for thinking
of me.

Very truly yours

Mr. Henry G. Leach
