

for John Yarn

March 23, 1934

My dear Mrs. Peterson:

I have your letter of March 16th asking me if I can give you any further information on John Lincoln - "Virginia John" - than is found in my "In the Footsteps of the Lincolns." I am sorry that I cannot. I am not a genealogical student and I never kept up the genealogical work which I was obliged to do for the "Footsteps."

It might be, however, that you could get some help from Waldo Lincoln's, "History of the Lincoln Family" published in 1923 by the Commonwealth Press of Worcester, Mass. It is far and away the ablest genealogical work on the Lincoln family and the most complete that we have. I am sorry I can be of no further help.

Please believe I appreciate your kind reference to my Lincoln work.

Very sincerely yours

Mrs. Z. R. Peterson
