Mr. E. H. Anderson,
Director,
The New York Public Library,
476 Fifth Avenue,
New York City

My dear Mr. Anderson:

Your letter of January 8 inquiring about the publications of the Lincoln Fellowship reached New York in my absence. I see that my secretary wrote you that I would be in town early in February. I was not there to stay. This I hope will explain the neglect of your letter.

Now as to the Lincoln Fellowship, it was disbanded, at least, I so believe, soon after the Memorial Meeting to Major William H. Lambert. The persons that had been active from the first in the Fellowship, one of whom was Major Lambert, are all dead or have given up the enterprise. That is my belief. Although an officer I was never active in the organization. When I am back in New York and have time to go through my Lincoln pamphlets I will see if I have any publications of the organization in any files and if so, will turn them over to you.

I am sorry that I cannot refer you to anyone who would know more about it than I do.

Very truly yours,

IMT T
