New York, N.Y.

Dear Miss Tarbell:

From time to time various members of our Board of Sponsors have written guest editorials for our magazine, **SAFETY**. We feel that it often gives our readers a new perspective to get the thoughts of those who are interested in accident prevention, but outside the immediate sphere of activity.

We should consider it a great honor if you would be willing to write us an editorial of about 500 words on any phase of the subject---home, child, industrial or highway safety. We should also like to use your photograph with the article if you have one available.

If you find it convenient to send us copy for either of the next two issues, the deadline for the August number is July 28th, for the September number, August 25th.

Thank you for your kind attention.

Cordially yours,

W. Dent Smith
Executive Vice President
