New York City.

My dear Miss Tarbell,

Mr.Lengel of Cosmopolitan has written me that Mr. Burton would be interested in an article by me on Thomas Lincoln,Carpenter and Cabinetmaker.I spoke to you about this material the night Mr.Seitz talked at the Pen and Brush Club.

Might I have an opportunity to talk with you further on this subject?Also could I see any photographs of Lincoln made furniture which you have in your files?Any time that is convenient for you will be agreable to me.If you prefer to reach me by telephone my number is Main 4-0169.

I hesitate to intrude on your time and will be brief as possible and I greatly appreciate the interest you expressed in my intention to present the craftsman side of Thomas Lincoln.

Very truly yours

Thomas H Ormsbee
