My dear Miss Tarbell

About three months ago we were in correspondence regarding a Bellamy article which you stated you contemplated writing. I very much regret that I heard nothing further from you subsequent to the receipt of a letter from your secretary dated December 29th. Knowing of your interest in our work, I again appeal to you to reconsider this matter. We have been fortunate of late in making some progress and an article from your pen would most assuredly be of invaluable assistance to us at the present moment.

I am enclosing herewith three articles one of which is entirely about Bellamy, the other two of which contain prominent mention of Bellamy. We are also arranging a memorial broadcast over station W E V D on May 22nd. I am also enclosing a card which the publishers of both LOOKING BACKWARD and EQUALITY have consented to insert in all their copies of these books, which you will readily understand will put us in touch with all the present new readers of LOOKING BACKWARD and EQUALITY and which may result in a substantially increased membership in our Association, thus providing us with the necessary funds to expand our work.

I recently received some very interesting material from Mrs. Bellamy which I will be very happy to send you if you would consider the writing of an article on Bellamy at the present time or in the near future. Awaiting your early favorable response, I beg to remain

Most sincerely yours,

George A. Kahn
