Dear Miss Tarbell:

With regard to the letter from the Radio Authors, Inc. which I return herewith, I think you ought to know a good deal more about the concern than I know before you entered into any such agreement. A little over two months ago Mr. Maxwell was with another company, The Judson Radio Corporation, which has since gone out of business, and before that he was connected with the Theatre Magazine. The objection to this agreement is that it ties you up to these people and might prevent your doing work for other concerns and, as I say, ties you up with a concern that we ought to know more about.

Yours sincerely,

Paul R. Reynolds
