

COUNCIL OF JEWISH WOMEN
(GREATER PITTSBURGH SECTION)

West-Park, Pa., Feb. 10th 1929. ^{ans 3/2/9}

Dear Ida:-

April 1st or the following
Thursday, the 8th will
invite us to have you speak
for our Council. However,
if you could just as
conveniently speak on
another subject, our mem-
bers have had so much
Lincoln that they long
for a change. But suit
yourself, and only let
us know the date and

subject on which you fix.
Thank you so much for
your promise of a photo.
Only I wish you had one
to give now, but you for-
get. I have longed for
one for years and often
wished that the exchange
of photographs had been
prevalent in our school
days. Things are done
better now. I look forward
to our meeting again
with so much pleasure.
Faithfully Your friend,
Charles K. Richander.
