My dear Miss Tarbell—

Thank you very much for your letter but what with Beach, + others I can't stay here any longer. Will be there for 'biz' Wednesday morning. I hope all will go well with your sister. I thought the operation would be soon + I was daily waiting news. I can fill well best at my job + at some other awfully nice job like our plan for next spring + summer.

I shall pass a pleasure thro' the board of directors ruling for three months vacation + $500 in lieu of boarding perils. You will sail about May 1. You will work about a month in Florence + July 1 we will all join you in Milan + spend six weeks in the great country. Get home Sept. 1 + you will have had three months
