Mr. F. C. Day,
U.S. Department of Agriculture,
Washington, D.C.

My dear Mr. Day:

Pardon the delay in replying to your letter of November 11. I have been away from New York for some two months, and in that time much mail has accumulated here.

I appreciate your taking so much trouble with my inquiries about the weather in Indiana in 1816 and in Illinois in the winter of 183031. What you sent me is very useful and with it I think I can get the information I want.

Sincerely yours,
