

^{My} Dear Miss Carbell: your card
of greetings gave me much
pleasure, especially as Italy
was included in the good wishes

OLIVIA ROSSETTI AGRESTI
America is much loved here
and we appreciate the good will
shown us in so many directions
in the U. S. you do not give me
your address but I hope this
will reach you. I send you

under separate cover a report
with a statement I have written
on Italy's case which may
interest you. All best wishes
for 1936, may it be the year
in which justice and peace
shall embrace each other!
Very cordially and sincerely
yours Olivia Rossetti Agosti
