

*Letter
Phi Beta
Kappa*

June 8, 1931

Rev. Oscar Voorhees
145 West 55th Street
New York City

Dear Rev. Voorhees:

I want very much to get a picture of the hall at William & Mary in which the Phi Beta Kappa was founded. My friend, Mrs. Mabel Smith, tells me she is sure you could furnish me one. Of course, I shall expect to pay for it.

Thanking you in advance, believe me

Very truly yours
