### Pan Heavenly Banquet.

Kappa Alpha Theta, Kappa Kappa Gamma and Alpha Chi Omega Meet at the Parish House.

Tuesday evening, May 6, found the Greek sisters assembled at the Parish House for their annual feast. Hitherto the woman's fraternities have endeavored to keep the time of their meeting a secret and appear the day afterward with streamers of ribbon: three colors, yellow for Kappa Alpha Theta, blue for Kappa Kappa Gamma and green for Alpha Chi Omega. This year the association chose red and white as the Pan-Heavenly colors and on Tuesday this combination formed a pleasing bit of color in the crowds on the campus.

Although the storm king was abroad in the land, seventy girls were seated at the prettily decorated tables in the Parish House when the festivities began. The Pan-Heavenly yell was first given, followed by the various fraternity yells. The banquet was delicious and during the time it was being served the air was full of pleasanties: the Pan-Hellenic yell, the yells of the different men's fraternities, college songs, popular songs and original songs. One table made quite a sensation by its witty rhymes.

Delta Phi was represented by Mrs. Crawford and Delta Gamma by Mrs. Robert E. Brown, and these fraternities were made the subject of much complimentary improvising. Throughout the evening the Pan-Heavenly yell was given:

Pan! Pan! Pan! Pan Hellenic Pan.  
Kappa Alpha Theta, K. K. G.,  
Alpha Chi Omega, Alpha Phi  
The three fraternities had united in inviting Mrs. Crawford to serve as toastmistress and her first few remarks proved that no mistake had been made. In a happy manner she introduced the various speakers who replied in a like happy vein. The singing, always a pleasant feature in affairs of this kind, was unusually good. At the close of this part of the program, the company adjourned to the room above and concluded the evening with dancing.

The banquet is agreed to have been one of the most delightful ever held. The toast list is as follows:

Toastmistress—Mrs. Crawford.  
Birds of a Feather—Mabel Leffingwell.  
The Red and Black—Evangeline Parsons.  
Song—Alpha Chi Omega.  
The College Athlete—Marie Tubolski.  
The Girl of 1902—Zerald Trax.  
Song—Kappa Kappa Gamma.  
Grinds—Eva Hart.  
Song—Kappa Alpha Theta.  
Lest We Forget—Maude Shadlock.

### Kappa Alpha Theta Receives.

ELABORATE RECEPTION HELD AT THE RESIDENCE OF DR. SAMUEL P. BATES.

On Friday night the local chapter of Kappa Alpha Theta tendered a most enjoyable reception at the home of Dr. Samuel P. Bates on Highland avenue.

The home was beautifully decorated,

the colors of the sorority, yellow and black, being prevalent. In the dining room the fraternity flower, the pansy, predominated. In the library, where the punch bowl was situated, apple blossoms were banked in profusion. The parlors were decorated with carnations and palms.

On entering the parlor the guests were introduced to the reception committee by Miss Anna Haskins. This committee consisted of Dr. and Mrs. Bates, Miss Grace Jenks and Mrs. Walter Irving Bates.

The Northwestern orchestra furnished the musical program.

Elegant refreshments were served during the evening in the dining room where the girls were assisted by Mrs. C. P. Woodring, Mrs. Catherine C. Trego, Mrs. Curtis L. Webb, Mrs. Emma V. Brawley, Miss Mary McClintock and Miss Gertrude Harper.

A great many guests were present during the evening and all reported a most enjoyable time.

### The Senior Six

Were Elected and Announced on Friday—The Honors of the Class Came to Miss Agusta Bard, Miss Maud Shadlock, Miss Helen Wintermute, Mr. John Barkley, Mr. R. N. Taylor and Mr. A. H. Appleby.

The Senior Six as announced on Friday was as follows:

Elected on scholastic standing—Miss Lodema Augusta Bard, of Centreville, Butler county, Pa., and Mr. John Clayton Barkley, Phalanx Station, Ohio.

Elected by the class—Mr. R. N. Taylor, of Meadville, and Miss Helen Irene Wintermute, of Linesville.

Elected by the Faculty on general merit—Miss Maude Gertrude Shadlock, of Meadville, and Mr. Alton H. Appleby, of Lakewood, N. Y.

The Senior Six occupy the position of honor as the class representatives in the Commencement exercises.

The Senior Six are to be congratulated on the honor they have won.

The Hopkins lacrosse team won its fifth consecutive victory Wednesday afternoon, when it defeated Columbia University 17 to 1. From the first it was a walkover for the local varsity, and, after the showing made by the visitors in previous games this season, it was especially disheartening to the New Yorkers. The Hopkins team played a clean, fast game and gave a beautiful exhibition of tipping and catching, the ball being repeatedly carried down the field by the most graceful and exact work of the men on the Hopkins attack.

Miss Maconda sang again, and each appearance of this artist confirms the impression of her skill and voice. All the art of a great coloratura singer was brought into evidence while the audience held its breath to listen to the staccatos, trills and flawless chromatic scales, which, at their conclusion, earned a veritable triumph for the singer.—*Cincinnati Enquirer.*

John D. Rockefeller has offered Bryn Mawr College \$220,000 for the erection of a new dormitory and heating and electrical plant, on condition that the same amount be raised for a library.

### Hard Luck.

A Short, Yet Vivid Account of Our Base Ball Team's Sojourn in the Wilds of West Virginia, as Given by a Member of the Team.

Morgantown, May 11, 1902.

We arrived at Morgantown at 9:30 p. m. Thursday evening. We came in on the same train on which the U. V. team were returning from their eastern trip on which they had played Yale, Wesleyan, Georgetown and Annapolis. They were met by about eight hundred students and escorted through the town. Allegheny was left to find their hotel alone.

The ball grounds were very fast and rough, being of baked clay with a 20-foot embankment in center field and a burning brush pile in both right and left fields. A ball when hit to the infield either made right angles with the direction it started or gained momentum until it could not be seen.

The features of the games were En Dean's falling into one of the burning brush piles while attempting to gather in a long fly, and Leffingwell's failure to see a fly ball which was hit into his field until after it had spent its force against the armory building far in deep left. The atmosphere was so smoky that the out field was unable to see the ball.

U. didn't have the same trouble was that we didn't hit the ball out that far.

On Friday Haas pitched a fine game, considering the encouragement received from the rest of the team, striking out eight men. On Saturday Griffith pitched good ball, striding out three men. Mook caught two errorless games and threw out almost every man who attempted to steal second.

The games at certain stages were very laughable. At other times not so much so. It was a sight to see En Dean, Leffingwell and Turner digging the ball out of the burning brush heaps. It reminded me of the times when I used to burn brush on my father's farm. We were all very tired on Friday evening and didn't parade the town to speak of. We felt a little better after Friday's game and are going to win from Waynesburg and W. and J.

A Member of the Ball Team.

The result of the games by innings were as follows:

1	2	3	4	5	6	7	8	9	Total
Allegheny	.0	3	0	2	0	0	0	0	5
W. V. U.	.4	0	0	6	1	1	7	3	27
Struck out by Haas, 8; by Washer, 11.

### TRACK ATHLETICS.

Why has Allegheny never been represented in the line of field sports? This branch of athletics is the most representative of all our college sports and yet we do not participate in it. In colleges where a track team is supported, and most colleges do have one, the enthusiasm is as great if not greater over this line of sport than any other.

This year the Athletic Board has appropriated enough money to be devoted to track athletics to send a team to the Inter-Collegiate meet to be held

at Pittsburg on May 30, Decoration Day. There is material in college for a good team if the men would only get out and work. Of course in this sport, like every other, good preparation is the foundation of success.

Everyone admits that the year just passed has been the red letter era for the college, not only in athletics but in material good. Now this being the case, it does seem as if it is the duty of the student body to get down to business and take a definite stand for a track team.

This year, as mentioned before, money has already been furnished for the support of the team and so the poverty excuse cannot be put forward as in former years.

Just take a look at Westminster and Geneva and see how they support their track teams, not only financially but their students get out and work. Inter-class meets are held and are very helpful in developing men. In the recent relay races held at Philadelphia under the auspices of the University of Pennsylvania, Westminster was the only college from Western Pennsylvania that captured a first place. Geneva and Westminster always hold an annual track meet. They both send teams to the various meets in this section. At the Pan-American Exposition last summer a Westminster man captured a number of prizes in the Inter-Collegiate races.

That we should have a track team is unquestioned. The only obstacle that presents itself is the disinterested condition of the student body at large. Can't something be done at once to start the thing agoing. A beginning must be made some day and the sooner the better. In a slangy way, "It's up to you."

### Y. M. C. A.

A Mid-Term Reception for the Men of the College—A Departure in the Line of Y. M. C. A. Reception—The Affair Proved to be Most Enjoyable.

The Y. M. C. A. reception on Thursday evening proved to be a most enjoyable affair. The reception was somewhat of an innovation as it was the first reception given by the Y. M. C. A. to which the girls of the college have not been invited. The number of men in attendance was not as large as was expected, but each one present entered into the spirit of the occasion and a most delightful evening was spent by all. A musical program was given by members of the Glee Club. Dr. Crawford spoke briefly to the young men, expressing his belief that the occasion was the beginning of broader and better things for the Y. M. C. A. in the college. He felt that there had been an infusion of new blood into the association and hoped that under this new influence the Y. M. C. A. would take the place in college life which it should occupy. All who were present on Thursday night feel that the Y. M. C. A. of the future is to take a larger place in the college life and it is to be hoped that all young men of the college will take advantage of the next reception.

President Draper of the University of Illinois, who was recently seriously injured, has been granted a year's leave of absence to recuperate.

Second-Class Matter.

The coming week will witness the most important event of the college year. Great enthusiasm should be aroused in college over the coming oratorical contest. We should endeavor to show the visiting colleges what college spirit means. Every student should be in line from the youngest member of the preparatory department to the gravest Senior. We can all help win the contest, and shall we do less than our utmost?

The Senior orations are all in, the Senior six have been elected and there remains but a few weeks' work for the members of the Senior class. The members of the class are looking forward to that very important occasion, Commencement. Commencement week over, then the sad farewells, and the Senior class of '02 will be a part of that larger body of Allegheny college. We trust that every member of this year's class will go out from Allegheny with the most tender and sacred memories of their Alma Mater. We feel that the larger future of Allegheny is to depend very largely on the classes which are graduating in these opening years of the century. We trust that no member of this year's class will leave "Old Allegheny" with the slightest regret that Allegheny has been the college of his choice. Naturally some will regret that they are going out from Allegheny just at the time when so many improvements are being made, but it occurs to us that the class going out this year closes an epoch in the history of our college. The members of this class can look back upon the "Old Allegheny" and remember that they were the last to leave the halls of the "older school."

On this account, "Allegheny" ought to be dearer to them than to any previous graduating class.

We are expecting much from this class and shall feel disappointed if this great busy world shall not feel the influence of their lives in a marked degree. We will defer our farewells to a later time, but we would suggest that the class get very near to the

heart of Old Allegheny in the few remaining days before Commencement.

### THE AMERICAN SCHOLARSHIPS PROVIDED BY CECIL RHODES' WILL.

His original conception of his will was to leave the whole of his property, without any restrictions, to be administered by the sole discretion of one, two or three personal friends. As for eight years I was one of three to whom his millions were left in joint tenancy, I have perhaps as good opportunities of knowing his mind on this matter as any one. It was while on board the steamer, midway between Cape Town and England, that the idea flashed into his mind of superseding his previous will by another, in which part, at least, of his wealth would be set apart for administration by trustees, for educational purposes. When he first told me about it, the scheme was limited to British colonies.

"It is admirable," I said, "but would it not be still better if you could extend it so as to bring the Americans into it?"

Mr. Rhodes doubted whether his estate would bear such an extension, with which in principle he entirely concurred. Further examination, however, satisfied him that it could be done, and accordingly the will contains the provision by which every American State is offered two scholarships of \$1,500 each, tenable for three years. I doubt whether Mr. Rhodes quite realized that by such an arrangement Americans would receive 50 per cent. more of his benefaction than British colonies. This, however, will probably soon be rectified by his executors, who have absolutely unrestricted ownership of the residue, which probably amounts to a moiety of the estate.

Mr. Rhodes was amenable to my suggestion about the American extension of his scholarship. Other suggestions, as, for instance, that the scholarships should be open to women; that they should be tenable at Cambridge, as well as at Oxford, or that the Rhodes scholars should be allowed, if they chose, to study at Harvard or any other American college,—were rejected. "The Americans can, if they like, endow scholarships for their own universities, and Cambridge men can look after Cambridge. My scholars must all come to my old university. As for women, some one else must look after them. I am on the lookout for those who will do the governing of the nations in the years that are to come."—From a character sketch of Cecil John Rhodes, by W. T. Stead, in the *American Monthly Review of Reviews* for May.

### PHI GAMMA ENTERTAIN.

A Royal Good Time at the Chapter House Monday Evening.

Pi chapter of Phi Gamma Delta gave a ping-pong party at its chapter house on Park avenue last evening. About 60 were present and an extremely enjoyable time is reported.

The house was draped in the fraternity color, royal purple, the floral decorations consisting of ferns, smilax and carnations. Besides ping-pong, various other games were played by the guests. Music was furnished by the Northwestern orchestra and added much to the pleasure of the occasion.

Light refreshments were served, and "Jimmy," who presided at the usual punch bowl, created much amusement and found plenty to do most of the time. Good nights were said at 11, the departing guests uniting in declaring that the Phi Gams had fully sustained their reputation for being royal entertainers.

During the presidency of Mr. Seth Low, the resources of Columbia University increased from \$12,000,000 to \$18,000,000; three separate schools were merged into seven united departments, and the number of students increased from 1,100 to 4,600.

## Oratory.

Great Interest Aroused—107 New Members Added to the Association.

Oratory was given a boom on Thursday at the college when 107 members were added to the association. Interest has been lacking in this important feature of college life for several years and in view of the approaching contest to be held in Meadville it was thought advisable to arouse interest in oratory.

Prof. Elliott, in a short talk, but one that was decidedly to the point, showed the great need of support to this interesting branch of education. The need of money to carry on the coming contest and the still greater need of enthusiasm to help Allegheny's representative win the diamond medal was given as the chief reasons for a larger membership. After Prof. Elliott's talk, 107 new members were added to the association and 150 tickets subscribed for the coming contest.

The Tri-State Contest will be held on Wednesday at the Academy of Music. Seats will be put on sale at Eiler's drug store on Tuesday at 8 o'clock and after chapel on Tuesday half of the tickets will be sold at the college office. The ticket board will be divided in halves, one half being for the college students and the other for the town people. This will enable the students to have organized rooting and in this way greatly increase the enthusiasm of the contest.

All yells and songs must be given before the program commences and after the judges' decision. This is to avoid interfering with the speakers and influencing the judges.

All the entries have been received and the following contestants will take part in the contest:

J. Franklin Bailey, Waynesburg.  
J. M. Blackwood, Geneva.  
R. G. Freeman, Allegheny.  
F. J. Kent, Bethany.  
P. Livingston, Muskingum.  
H. E. Snyder, Thiel.  
A. C. Weldler, Westminster.

The subject of each contestant's oration has been handed to the committee of arrangements, and they are as follows:

"Our Greatest Need."  
"Intellect and Society Mutually Helpful."  
"The Jew, a Man with a Record."  
"With the Red Badge of Courage."  
"The New Citizen."  
"The Triumphs of the American People."

"Christianity and Labor Problems." Allegheny's representative will be Robt. Freeman, winner of the Farson contest. His subject is "The Jew, a Man With a Record." Prof. Elliott expressed the general sentiment of the college concerning the contest when he said: "The subject of the Jew with a Scotchman for a mouth-piece and the whole college for enthusiasm should win Allegheny the prize."

The program will be as follows.  
"Gleam, Brightly Gleam"—Glee Club.

Oration—"Our Greatest Need."  
Oration—"Intellect and Society Mutually Helpful."

Solo—Mr. Taylor.  
Oration—"The Jew, a Man with a Record."

Oration—"With the Red Badge of Courage."  
"The Phantom Band"—Allegheny College Glee Club.

Oration—"The New Citizen."  
Oration—"The Triumphs of the American People."

Solo—Mr. Fred Smith.  
Oration—"Christianity and Labor Problems."

"Simple Shoon"—Allegheny College Glee Club.

Of the eleven debates held between Harvard and Yale since 1891, Harvard has won all but three.

Allegheny College Students Have Always Made the Most Money Working for the KEYSTONE VIEW COMPANY. One of their number cleared over \$300.00 in four months last year. We have graduates and former students of Allegheny College with us who are at present clearing above all expenses from \$40.00 to \$250.00 per month. All cannot accomplish the same, but some are and many can do as well as those referred to. Will you be one of them?

We have recently added a fine line of views from China, Japan, Korea, the beautiful island of Ceylon, the Hawaiian Islands, Porto Rico, the Netherlands, Belgium, Sweden, Colorado and South Africa. Our views of the Paris Exposition and Boer War will continue to be good sellers, and our new set of views of Switzerland is acknowledged by all as being superior to anything they have seen. We have also added largely to our already fine collection of Childhood and comic views, a our views of Alaska, Palestine, Egypt, Mexico, United States and other parts of the world, continue to hold first place with the public.

Our motto is quality first and quantity afterwards, although we are in position to offer both. We have a large force of photographers, who have won numerous medals, working for us exclusively in new fields of interest, and will always be in position to offer you the LATEST and BEST. Students who value their time should consider our work before making other engagements for their mid-summer vacation.

WE LEAD—LET OTHERS FOLLOW.

We have the only all-finished and perfect scope. We have the only perfectly finished original views. We have the only views that give clear and perfect detail.

We have the only artistic Hand Painted views. We have the only views which focus perfectly. We have the only views on which are printed an historical sketch.

Our Library Sets are acknowledged to be superior to all others, and our salesmen are making phenomenal records in the sale of the same.

Our new Aluminum Scope is the best in its line. A large number of the students of Allegheny College work for us every vacation. Make it a habit to see our goods and we will thank you for your judgment.

COLLEGE NOTES.

The average age of Yale's Freshman class is 19.

It is stated that the Theta Nu Epsilon fraternity will be reorganized in the West Virginia University.

Miss Miriam Hills recently presented Wooster University an elegant Steinway grand listed at \$1,250.

The University of California has broken ground for a new gymnasium which will be built of white marble and will cost \$1,000,000.

Iowa defeated Wisconsin in debate on the question of a branch banking system. Iowa supported the affirmative.

The University of Nebraska is planning to send a football team east next fall to play Harvard and Princeton and possibly Yale.

In the dual track athletic contest with the University of California on Saturday Yale more than doubled points against California.

Yale refuses to meet any Western foot ball team next fall. "The easterners want to preserve their rather damaged reputation from further injury."—Minnesota Daily.

Harvard has the largest faculty of all the colleges in America. Her instructors number 337, a body nearly as large as the lower house of congress.

The largest salary paid to a president of a university in the United States is said to be \$10,000 which is the sum paid to the president of Leland Stanford University.

One of the literary societies of Gettysburg College has offered a silver cup to the member of the base ball team who makes the highest batting average for the season. This is an example which might well be followed in other colleges.

The honor system, or plan of self-government is one which is growing rapidly and coming into more general use in colleges. The college should be a training school for the symmetrical development of the student.—College Days.

In a recent game of base ball between State and Gettysburg, it is alleged that Pitcher Miller, of State, while at the bat, intentionally struck Catcher White, of Gettysburg, with his bat, disabling him. It is reported that Miller's conduct will be looked into by the college authorities.

In the annual oratorical contest of the Northern Oratorical League, held in Chicago Friday evening, May 2, B. G. Nelson, of the University of Chicago, was the successful competitor. His subject was "The World's Orator." Mr. Nelson attempted to prove that Jesus Christ was the greatest orator which the world has ever heard.

During the latter part of May, the Latin Department of the Ohio Wesleyan University will publish a Latin Souvenir Magazine, called the "Porta Academia." The magazine will attempt to cover the various phases of college activity, and will contain many features of interest to everyone connected with the college.

The first steps toward inaugurating hand ball as an intercollegiate sport have been taken by the Yale authorities. Columbia University has been asked to hold a dual meet with Yale and has signified her intention of accepting the invitation. The matches will be played on the Columbia courts in the near future. Competition for the Yale team will soon be outlined.

It is gratifying to learn that the athletics at the Louisiana State University is taking on a very active boom of late and that it is likely the season of the football sport will open early this year and be rushed like a cyclone throughout the athletic season. Already letters and proposals have been received from colleges and universities further north than usual, among which Vanderbilt University has been mentioned. Prof. Borland, as coach, and Mr. Julian Sanford, as manager, are busily engaged organiz-

ing a team to meet a crack team from Texas, which will probably arrange to meet the Louisiana boys on the University campus on or about the 14th of May, 1902. The splendid playing of the University team last year has won for them a wide and enviable reputation, and we feel justified in saying that under the splendid coaching of Prof. Borland and excellent management of Mr. Sanford, our Louisiana University team will not only maintain the past record of the team, but will add new laurels to the splendid reputation they made in past seasons.—Louisiana Enquirer.

"Why, gentlemen!" cried the after-dinner speaker tragically, "what would this nation be without the ladies?" "Stag-nation, of course," murmured the cheerful idiot.

The University of Michigan has more alumni living than any other University in the United States, having 15,000. Harvard is second with 14,000, and Yale third with 11,436.

The men of the Michigan '02 class have abandoned the "smoker," and substituted a modest stag party instead. The Daily News hopes that the abandonment will be permanent as several of the smokers have been the occasion of several excesses, and are no longer good form.—Ex.

The class of '98, Harvard, gave \$9,686 for a class memorial. The largest contribution was \$200; the average amount given by those who contributed was \$37.69. The class committee of 1902 expects to collect between \$18,000 and \$20,000.

Adebert has instituted a weekly newspaper to be purely local in character, while the original student publication, *The Adebert*, is to be continued as a literary publication.

Booker T. Washington announces another gift of \$25,000 to Tuskegee Institute. This one for a girls' dormitory.

Harvard, Stanford and Pennsylvania have a smaller enrollment than last year. Harvard has 1,200, Stanford 81, and Pennsylvania 29. The greatest increase is at the University of California, where 587 more persons registered this year than last. Columbia's registration increased 524, Wisconsin gained 266, Yale 139, and Princeton 101.

Northwestern Academy has been stirred up recently by the announcement of Principal Fish that all tobacco users must quit the habit or leave school. In giving his reasons for this order Dr. Fish presented statistics showing that the students who use tobacco are poorer in scholarship than those who do not. A complete tabulation of the scholarship and tobacco users of the Academy had been made for this purpose. It was found that 22 per cent. of the students use tobacco but that only 3 per cent. of the seventy-five holding the highest rank in their classes were tobacco users.

Westminster.

WESTMINSTER WILL PLAY BASE BALL HERE ON SATURDAY, THE FIRST TIME IN THREE YEARS.

We will meet our old rival on Saturday in base ball. Westminster never fails to draw a good crowd when her team plays in Allegheny and it is to be hoped that Saturday will be no exception. Our ball team will need a little encouragement and we will certainly be loyal enough to produce all the encouragement necessary. Westminster has not appeared here in base ball for several years, and we should give them a right royal reception. Game called at 3:15. *Everybody come.*

The other day, when Dr. Morton, president of Stevens University, opened his mail, he found a check for \$100,000. This was unaccompanied by a single word of explanation, but it was signed by Andrew Carnegie.

## LOCAL BREVITIES.

Craig spent Sunday in Cambridge. Lewis got a three-base hit in Saturday's game.

Question: Will the organ be in for Commencement?

The Sigs have completed their tennis court on Park avenue.

Greenlee spent Sunday at his home in Rundells.

Yeany visited friends in Greenville over Sunday.

H. L. Smith spent Sunday in Corry, preaching morning and evening.

It is reported that the Delts left their card at the Hall on Friday night.

Some of the Hall girls were "campussed" for being five minutes late on Friday night.

Prof. Elliott's figures on athletics and oratory in Allegheny were rather startling to say the least.

Miss Florence Hall, of Jamestown, N. Y., visited her sister last week at Hulings.

That earthquake must have struck West Virginia and affected our base ball team with dizziness.

Mme. Maconda captivated her audience with her very first notes. She had already won them by her appearance. She is the very impersonation of unaffected self-possession. Her art is of the highest order.—*Morning Chronicle.*

The next time there is money to raise in a hurry, Prof. Elliott will be consulted as to ways and means.

Harry Greeg spent Sunday in Union City, addressing the Epworth League in the evening.

Let us not be unloyal to our base ball team because it has been up against some hard luck, but let us give the boys a right royal welcome when they come back.

Miss Maconda sang Delebes' Bell Song exquisitely. Her voice is rich in quality, her method faultless, and her delivery natural.—*The Times-Star.*

The manager of the track team is very anxious to have more men turn out for the track team. Any one having an inclination to distinguish himself in track athletics, will be gladly seen.

Prof. Hendershot to Miss Gailey, who has just flunked in geometry: "Miss Gailey, I am afraid you are spending too much time in the study of linear measure."

Charlotte Maconda sang the Bell Song from "Lakme" such as only an artist of her fine proportions can do. She has a coloratura soprano voice that seems to be adapted to all the requirements and demands that can be made of it. Her command of embellishment has apparently no limit. Her tones are musical and soft as velvet—and yet they are endowed with remarkable carrying power. Another remarkable quality of her voice is its purity of intonation. She was effec-

tive till the close, when she reached high D (above the staff) with the greatest of ease.—*Commercial Tribune.*

Wilcox's brother, of South Dayton, N. Y., visited him over Sunday.

Miss Berry, of Jamestown, visited Miss Peterson at the Hall on Sunday.

Miss Florence Hall, of Jamestown, visited her sister several days last week.

Miss Stillman, of Warren, Pa., was the guest of Miss Smutz at the Hall over Sunday.

The Kaldron is rapidly nearing completion. If you want to contribute any jokes now is your chance.

All Seniors who wish class pictures please give orders to Miss Wintermute before Wednesday noon. Prices 75 cents and \$1.00.

### Y. M. C. A., NOTICE.

Men, notice this change. By vote of the Association Saturday evening the regular devotional meeting was changed from Saturday 6:30, to Monday 6:30. The next meeting will be held next Monday, May 19, at 6:30 in Association Hall as heretofore.

The principal reasons for the change are as follows:

1. Many of our best men sing in choirs and must practice Saturday evenings.

2. Quite a few men are out of town on Sundays—preaching or at home.

3. Fraternity meetings Saturday evenings, and, incidentally, longest and most enjoyable calling hour at Hulings.

You men, who are not regular attendants, note that your excuses for absence now vanish.

Meetings will begin and close promptly and will not conflict with Literary Societies.

The plan is experimental during this term.

Prof. Borne led the Saturday evening young men's meeting in Y. M. C. A. Hall. The service was well attended and interesting.

The topic "Prayer" was treated in a practical way. Mr. Borne likened prayer to the blood flowing in the human body—it is life-giving and to be sustaining must be constantly flowing in its purified state.

## Foot Ball.

SCHEDULE ALMOST COMPLETED SEASON OF 1902 PROMISES TO BE THE MOST INTERESTING IN THE HISTORY OF THE COLLEGE.

Manager Freeman announces that the football schedule for next fall is almost completed. It includes W. R. U., W. U. P. and other of the larger schools of Ohio and Pennsylvania. The schedule is the heaviest Allegheny has ever had. Great effort will be put forth to bring the team back a week or ten days before school opens in the fall. Mr. Eisman, of Lafayette, has been procured as coach and our team should be the best in the history of the college. It is to be hoped that all of the old men of last season's team will return to school. With the old men as a working basis and the new men who come in developed we should have an abundance of good material and insure keen competition.

It is not too early to begin to talk football and it is to be hoped that football will be an interesting topic for the remainder of the present term. It generally takes the greater part of the football season to arouse the proper interest in the game, and by that time some important games are usually lost. Let us remedy this by beginning to talk football this term, and keep talking football right through the summer and then we will be prepared to play the game when the season comes around.

We have never as yet been able to get the team back one day early. Let us make this season an exception. Let us not lose a game during the season of '02.

The Northwestern University boasts the oldest "co-ed" of any school in the country. Mrs. Virginia Waterman is a student there at the age of 60, and she expects to make a full college course.—*Cronson's Note.*
