Dear Miss Tarbell:

I hope the accompanying release will give you the information you wish. If it doesn't, just let me know and we shall supply it,-if possible!

If the editorial is to come out in a magazine or newspaper, will it be possible to let our chests know the name and date of publication of the magazine or newspaper somewhat in advance of publishing?

We are so grateful to you for wielding your pen in our service! It has helped more than you can ever realize!

Loyally,

Louise Franklin Bache
Director of Public Relations
