Miss Ida M. Tarbell,
120 East Nineteenth Street,
New York, N.Y.

Dear Miss Tarbell:-

Acknowledging your letter of May 9th, we are quite sure that you would say nothing in your discussion of the subject under consideration that would not be to the advantage of the Ludlum Steel Company.

You need not, therefore, feel obligated to submit any such before publication, but be assured we will appreciate receiving a copy or two of whatever issues.

We are both aiming at the same objective - greater security, welfare and happiness for all. This can be accomplished only by cognizance of mutual interest and not by setting up antagonisms such as aimed at in the proposed Wagner Bill to which I have referred in an earlier letter.

Yours very truly,

LUDLUM STEEL COMPANY
