21 WEST FIFTIETH STREET

My dear Miss Tarbell,

As you may imagine, the success of this concert means everything to me, so I take the liberty of asking your kind interest, and assure you of my keen appreciation of anything that you may think of to make it a success.

Hoping to see you soon,

Faithfully,

Yours
Dick Foch

*P.S. You do remember me, don't you?
Hope you will come.*
