

Miss Ida M. Tarbell,

341 5th Ave.

New York.

My dear Miss Tarbell,

Would it be possible for the College Women's Club of this city to secure a lecture ^{date} during the last of April or the first part of May? If so, what subjects do you offer and at what terms?

The city is Wilkes Barre and the
lecture would be for the public,
and under the management
of the college club.

Very truly yours,
(Miss) Alice Phillips.
