

September 24, 1931

Dear Miss Chandler:

I should of course be pleased as
Punch to have Mr. Manley use the parts of my story
that the American has selected for publication.
I shall have to consult Mr. Blossom - I am doing that
today and will let you know.

Sometime next week I am coming
down on you with a load of inquiries.

Very sincerely

Miss Gertrude Chandler
120 Broadway
New York City
