My dear Miss Tarbell,

I am sending herewith by messenger copies of the material which was mailed to you on December 6 and did not greet you.

Miss Lippitt gave you my message correctly as to the length of your talk at our dinner party. We are indeed honored to have you with us and feel that five minutes or ten minutes from you will be more interesting and more important than full size addresses from most other people. We are all looking forward to the pleasure of hearing you and I am especially happy in the fact that it will be possible to greet you again as I enjoyed meeting you so much last year.

Sincerely yours,

*Annetta W. Peck*
