Miss Ida M. Tarbell
120 East Nineteenth Street
New York, N. Y.

Dear Miss Tarbell:

On my return, I found your letter of September 13th, with your article, which had been acknowledged by my secretary in my absence.

I have read the article with much interest and made corrections only in regard to facts. I have not tried to change your own thoughts, or, of course, made any suggestions in regard to what you wrote. The corrections I have inserted in the various pages, so you can incorporate them.

I think you were very good in the way you referred to the plan and my work in connection with it, and as these were your thoughts I have not ventured to make any suggestions.

I told Mrs. Swope of my interview with you and we had been hoping to hear from you on your return, so as to have you come out in the country to see us. I now notice you are going to the middle west for a month, but hope as soon as you come back you will let me know, as we both would be very glad indeed to see you.

Sincerely yours,
