

January 11, 1937

Dear Dr. Schlesinger:

I am anxious to read what was said at the American History Association on the American Life Series. I understand that an afternoon was given to its discussion. Was there a report made which is available now? I suppose a more lengthy discussion will appear later in the Historical Review, but I would like to see it earlier.

Forgive me for troubling you.

With all good wishes for the New Year.

Very sincerely yours

Dr. A. M. Schlesinger
