Miss Ida M. Tarbell,
120 East 19th Street,
New York City.

Dear Miss Tarbell:

Some time ago, in a telephone conversation, you very kindly acquiesced in our request that you should review Dr. William E. Barton's "Life of Lincoln", and stated that you would be able to do this for us on or about April 15th. Kindly advise me as to when I may expect your manuscript, also compensation for same.

With best wishes,

Sincerely yours,

John A. Phillips
Eastern News Representative. ?
