My dear Miss Tarbell:

INDUSTRIAL MUSEUM PHOTOGRAPHS

Your request of the 18th for the loan of Industrial Museum photographs is hereby acknowledged.

You are welcome to a second loan of these pictures, but, having in mind your present purpose, I would suggest that you would find it of distinct value at this time to make your thrice proposed and thrice postponed visit to our Museum. We have much material relating to the subject in hand, which does not appear in the photograph collection.

I shall await further word from you before forwarding the books.

Yours very truly,

Arthur G. Warren

Sec'y, Industrial Museum Committee.
