

August 6th, 1930.

Miss Ida M. Tarbell,
120 East 19th St.,
New York City.

Dear Miss Tarbell:-

I thank you very much for yours of the 5th and I hasten to advise you that Mr. Meserve has forwarded to me the picture, which arrived safely, but I have not as yet received his opinion, but I take it from your letter that he must have been very interested. I await the opinion with great curiosity and I can neither thank you nor him enough in the matter.

From your brief letter and from that heretofore received from Mr. Meserve, apparently my picture has raised a further question concerning the Schneider picture. This makes the matter more interesting,

I will make inquiry relative to Miss Arnold and advise you of the result at once.

Very sincerely yours,
